Brush your teeth!
This is useful!

In Doctors.

- Doctor: Good morning. What can I do for you? What troubles do you have?

Patient: I have got a very bad tooth.
It`s troubling me day and night.

- Doctor: Now I must examine your mouth. Open it wide. Which one is it?

Patient: This one on the left.
Will you take it out?

Doctor: Your tooth is very bad
but it is not too late for trying to
treat it. I will put a special
medicine into the tooth now.
Then you will come in two days
at the same time. I will fill the
tooth.

- Patient: Thank you very much, doctor.
- Doctor: Not at all.
- Patient: Good-bye.
- Doctor: Good-bye.
