

Love Rules the World

Love Rules the World

Love... What is this?

Love is the feeling inherent in man,  
a deep, selfless devotion to another person or  
object,  
a feeling of deep sympathy.

In love... there is no

Love...

"Love is patient, love is not envious, not proud,  
does not seek its own,  
thinketh no evil...Love never fails"

St. Paul, "Epistle to the Corinthians"

Love...engenders

*Love takes another man  
with all his advantages and disadvantages.*

*Love...takes*

A silhouette of a person standing in a field of tall grass at sunset. The sky is a warm orange and yellow gradient. The person is facing away from the camera, with their right arm raised high, pointing towards the horizon.

Love is what connects the closest people  
in spite of how far they are from you  
and helps keep the delicate Relationship  
whatever happens.

Love is when you want to be with loved ones  
in spite of anything else.  
Only then you can truly love.

Love... has the freedom to  
choose

Love...it's for a long time

But without love...

Duty without love makes a person irritable.

Responsibility without love makes a person  
inconsiderate.

Justice without love makes a person cruel.

Truth without love makes a person criticizer.

But without love...

Education without love makes a person two-faced.

The mind makes a man without love tricky.

Friendliness without love makes a person disingenuous.

Competence without love makes a person unyielding.

But without love...

A dark, atmospheric night scene featuring palm trees silhouetted against a bright, glowing yellow moon. The background is a dark, textured sky, and the foreground shows a dark, rippling surface, likely water.

Power without love makes a person rapist.  
Honor, without love makes a person arrogant.  
Wealth without love makes a person greedy.  
Faith without love makes a person a fanatic.

There is only one great power on earth and in heaven - L

No matter what people say...

Love rules the world <3

**Уильям Шекспир**  
**Сонет 130**

My mistress' eyes are nothing like the  
sun;

Coral is far more red than her lips' red;  
If snow be white; why then her breasts  
are dun;

If hairs be wires, black wires grow on  
her head.

Ее глаза на звезды не похожи,  
Нельзя уста кораллами назвать,  
Не белоснежна плеч открытых кожа,  
И черной проволокой вьется прядь.

I have seen roses damasked, red and white,  
But no such roses see I in her cheeks,  
And in some perfumes is there more  
delight

Than in the breath that from my <sup>сделанной</sup> ~~мистер~~ <sup>жареной</sup> розой, алоей или белой,  
reeks. Нельзя сравнить оттенок этих щек.  
А тело пахнет так, как пахнет тело,  
Не как фиалки нежный лепесток.

I love to hear her speak, yet well I know  
That music hath a far more pleasing sound;  
I grant I never saw a goddess go -  
My mistress when she walks treads on the  
ground.

Ты не найдешь в ней совершенных линий,  
Особенного света на челе.  
Не знаю я, как шествуют богини,  
Но милая ступает по земле.

*And yet, by heaven, I think my love as  
rare  
As any she belied with false compare.*

*И все ж она уступит тем едва ли,  
Кого в сравненьях пышных оболгали.*
