FAST FOOD

Fast food restaurants and cafes are very popular all over the world. But they aren't like ordinary restaurants.

There are no waiters. You order your food at the counter and pay for it at the same time. You can get your food in a bag or a box or a tray. You often eat with your fingers.

Drinks are all in paper or plastic cups. There are no saucers. You eat your meal, then you throw all the bags, boxes and cups away.

It's easy. It's cheap and it's fast.

WHEN DO WE USE “SOME” AND “ANY”?

Some – “+”

Any – “-”, “?”

Would like [wud]

I would like – Дайте, пожалуйста; мне хотелось бы

What would you like? – Что пожелаете?

Here you are – Вот, пожалуйста (когда вам подают что-либо)

IN THE CAFE

Ann: What would you like, my friends? As for me, I would like an ice cream and a glass of orange juice.

Mike: I would like an ice cream and a glass of orange juice.

John: And I would like a cake, a bar of chocolate and a glass of mineral water.

Helen: I would like yoghurt and a glass of orange juice.

Ann: We would like two ice creams, three glasses of orange juice, a bar of chocolate, one yoghurt and a glass of mineral water.

MENU

Fruit salad
Vegetable salad
Yoghurt
Orange juice
Tea
Mineral water
Chocolate
Kumiss
Bishbarmak

LEAVE A TIP FOR ME

The information is interesting, I can easily use it in practice.

The information is interesting, but I have some problems to use it in practice

The information is difficult to understand

**Thank you for
the lesson!
Good-bye!**
