They live in Siberia and Africa.

They send out a sound and wait for the echo.

Up to about 100km per hour.

About 136kg of plants.

The blue whale. It's about 25m long.

They eat fruit, leaves and grass.

Because it's too far to walk!

A woman with long blonde hair, wearing a purple top and dark pants, stands on a grassy field. She is holding a small butterfly in her right hand. The background features a vibrant sunset with orange, yellow, and blue hues. A large, glowing planet or moon is visible in the sky. The overall scene is serene and evokes a sense of nature and environmental care.

*Dear people,  
save disappearing  
animals,  
take care of rare plants,  
love our planet  
because our planet is  
beautiful.*
