

# Harvard University

By .....

# History

- Harvard was founded in 1636, the College trained many Puritan ministers
- The takeover of Harvard by the Unitarians in 1805 resulted in the secularization of the American college
- Charles W. Eliot, president 1869-1909, eliminated the favored position of Christianity from the curriculum while opening it to student self-direction

# History

- During the twentieth century, Harvard's international reputation grew as a burgeoning endowment and prominent professors expanded the university's scope
- Explosive growth in the student population continued with the addition of new graduate schools and the expansion of the undergraduate program.

# Organization

Harvard today has nine faculties, listed below in order of foundation:

- The Faculty of Arts and Sciences and its sub-faculty, the School of Engineering and Applied Sciences, which together serve:
  - Harvard College, the university's undergraduate portion (1636)
  - The Graduate School of Arts and Sciences (organized 1872)
  - The Harvard Division of Continuing Education, including Harvard Summer School (1871) and Harvard Extension School (1910).
- The Harvard Medical School (1782)
- The Harvard School of Dental Medicine (1867).
- Harvard Divinity School (1816)
- Harvard Law School (1817)
- Harvard Business School (1908)
- The Graduate School of Design (1914)
- The Harvard Graduate School of Education (1920)
- The School of Public Health (1922)
- Harvard Kennedy School of Government (1936)

# Campus

- Harvard's 210-acre (85 ha) main campus is centered on Harvard Yard in Cambridge. Sophomore, junior, and senior undergraduates live in twelve residential Houses.
- The Harvard Business School and many of the university's athletics facilities, including Harvard Stadium, are located on a 359-acre (145 ha) campus opposite the Cambridge campus in Allston.
- The Harvard Medical School, Harvard School of Dental Medicine, and the Harvard School of Public Health are located on a 22-acre (8.9 ha) campus in the Longwood Medical and Academic Area.

# Students

- Harvard enrolled 6,655 students in undergraduate programs, 3,738 students in graduate programs, and 10,722 students in professional programs. The undergraduate population is 51% female, the graduate population is 48% female, and the professional population is 49% female.

	<b>Undergraduate</b>	<b>Graduate</b>	<b>Professional</b>	<b>U.S. Census</b>
