МБОУ «Новотроицкая СОШ»,  
Альметьевский район Республики  
Татарстан.

Масифулина Андриана Андреевна

# If you are ready for the lesson

Let's start ...

English and our future profession

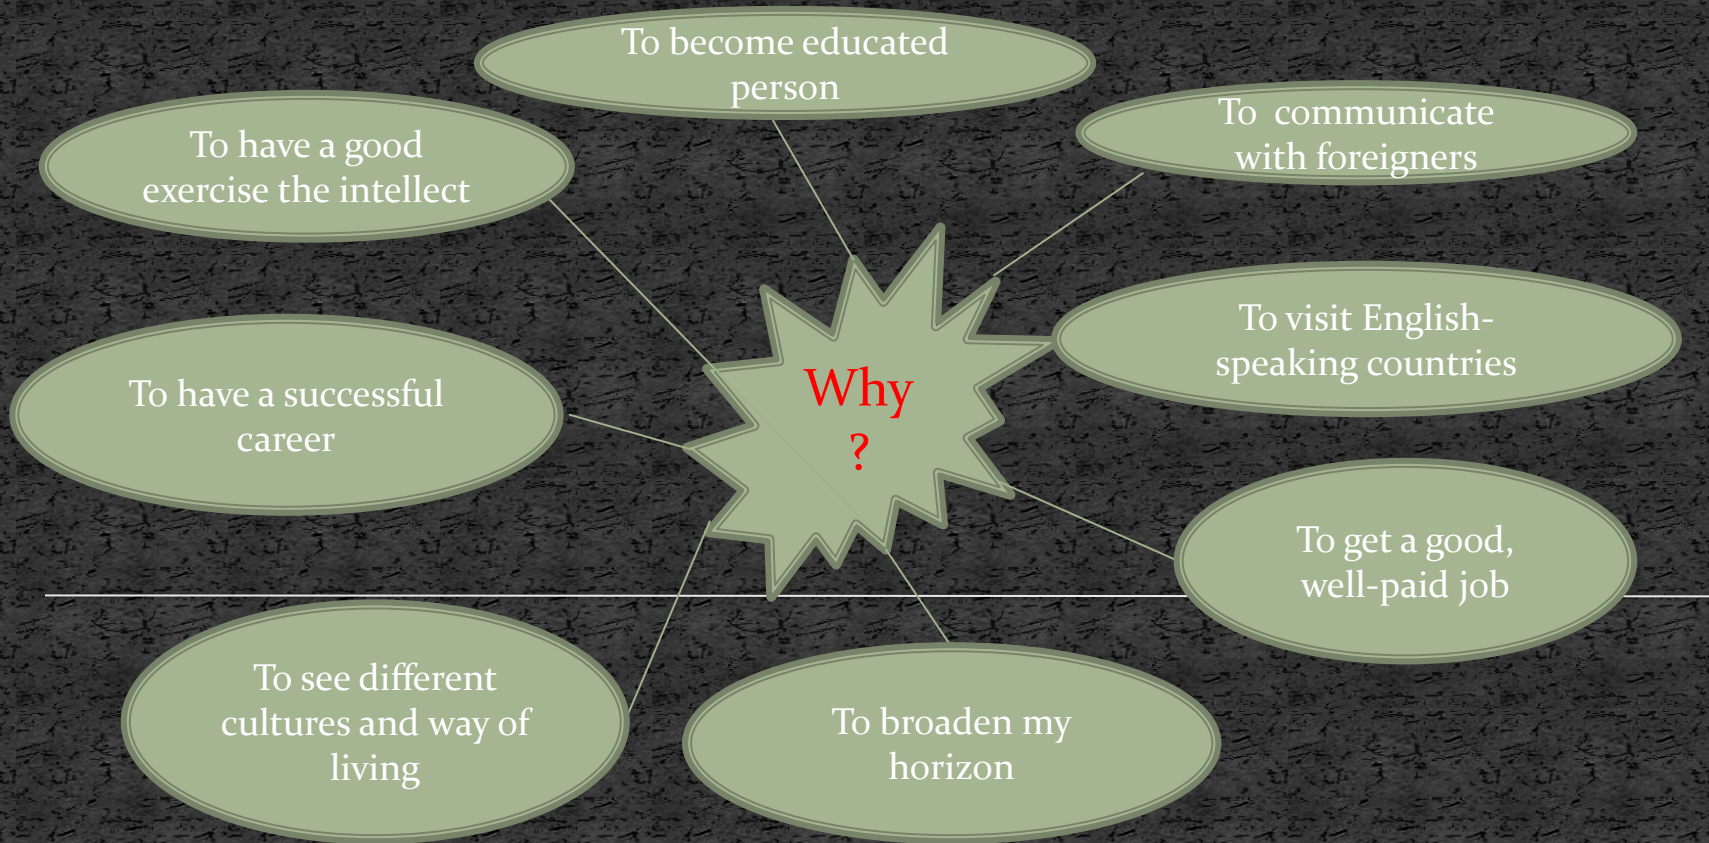

I learn English because ...

- How can one  
advise another  
another how to act  
unless he knows that  
other as well as he  
knows himself?

# Why do you learn English?

# Match the phrases to explain who does what

- |                     |  |
|---------------------|--|
| 1. A pilot          | a) bakes different kind of bread                                       |
| 2. A hairdresser    | b) looks after sick people in the hospital                             |
| 3. A journalist     | c) takes part in different theatrical performances                     |
| 4. A nurse          | d) sells different things  |
| 5. An actor         | e) is a specially trained person who operates an aircraft              |
| 6. A mechanic       | f) cuts people's hair and makes their haircut look stylish and elegant |
| 7. A shop assistant | g) fixes cars, motorcycles, and motorboats and knows engines very well |
| 8. A baker          | h) writes articles and reports for newspapers and magazines            |
