**HOW WE CELEBRATE THE  
HOLIDAY**

# Halloween

It's  
traditionally  
associated in some  
countries with  
old customs such  
as telling ghost  
stories, bonfires  
and so on. This is  
way Celts  
welcomed the  
beginning of the new year.

*Halloween symbolized the fight between good and evil.*

*As every person fight constantly for the choice between worthy and deed behavior.*

Halloween  
Halloween means "holy evening" and takes place on October 31st. Although it is a much more important festival in the USA than in Britain, it is celebrated by many people in the United Kingdom. It is particularly connected with witches and ghosts. At parties people dress up in strange costumes and pretend to be witches and ghosts.
