The best way to see London is by bus. Take a special open-top tourist bus when the weather is good. Do not miss Hyde Park-go for a walk or sit on the grass and look at the squirrels. Take some food with you too - squirrels love peanuts!

”The way to see London is
from the top of a bus”

WHAT DOES IT MEAN TO BE A LONDONER?

You must go on a double decker bus,
You must see the changing of the guards,
You must visit big ben, buckingham palace and trafalgar.
You must get annoyed of traffic and people trying
to sell model taxis and model big bens.

So to be a londoner you need to visit london.
