NEW YEAR'S DAY

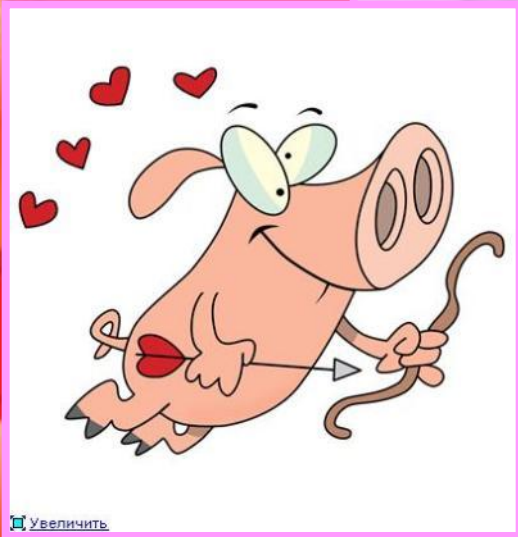

New Year's Day is on the first of January. On that day people usually visit their friends and there is a lot of dancing and eating. In Scotland people bring a piece of coal for good luck in the New Year.

The background is a soft, light pink gradient. It features several large, stylized pink hearts with a 3D effect, some of which are attached to thin white stems resembling lily pads. Numerous smaller, faint pink hearts are scattered throughout the scene, creating a romantic and celebratory atmosphere.

HAPPY
St. Valentine's day!

Happy
Mothers
Day

In March there is Mother's Day. All the children, little or adult ones, come to their mothers on that day to express their love and gratitude.

The background is a lush green field with a subtle floral pattern. Scattered throughout are numerous colorful Easter eggs in shades of orange, yellow, pink, green, blue, purple, and red. Interspersed among the eggs are various flowers, including yellow daisies, purple five-petaled flowers, and a red flower. Small butterflies are also visible, fluttering around the scene. The overall composition is bright and festive.

HAPPY EASTER

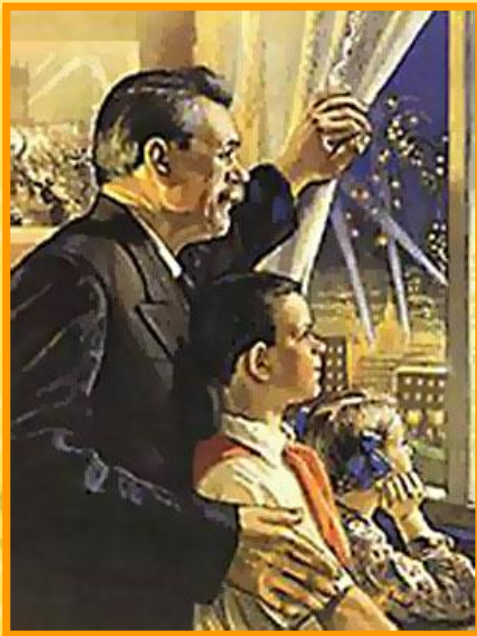

In April there is Easter. At Easter children eat chocolate Easter eggs. Sometimes parents hide them in the house or in the garden and children have to look for them.
