SOME VALENTINE SYMBOLS

Heart

Emotions are feelings such as love, happiness, anger, or fear. A long time ago, people believed that all emotions were found in the heart. In later years, they thought only the emotion of love was connected with the heart. The heart is still a symbol of love, and because of this, it is also a symbol of Valentine's Day.

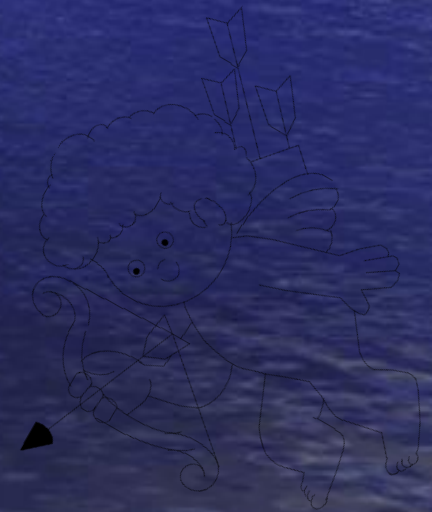

Red Rose

The rose was a favorite flower of Venus, the Roman goddess of love. Red is a color that stands for strong feelings. That is why the red rose is a flower of love.

Cupid

Son of Venus, goddess of love. He could cause people to fall in love by piercing them with one of his magic arrows.
