

Hallowe'en

Hallowe'en

means "holy evening", and takes place on the 31st of October.

- In the past this festival was a time of fear. People believed in ghosts and witches and they stayed at home.

- At Hallowe'en the ghosts of the dead and all witches of the world rode in the sky on their broomsticks.

- People cut horrible faces in pumpkins and put a candle inside, which shines through the eyes.

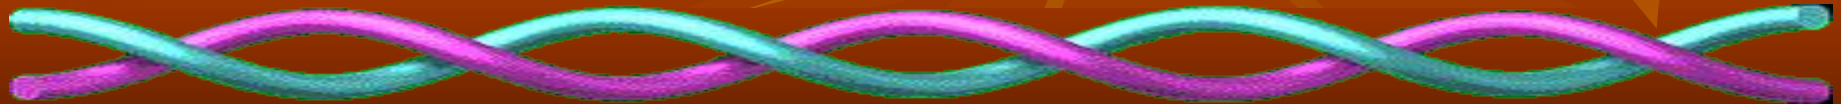

- Children dress up as ghosts, witches, clowns, pirates and visit their neighbours. "Trick or treat!" they cry. The grown ups must give them a treat: some fruit, sweets or chocolate.

- People invite their relatives and friends to Hallowe'en parties and send invitation cards, like this

Happy Halloween
