

LIFE IS
LIKE a
ZEBRA:
a lucky
STRIPE

And in dark days
things go wrong ...

Quarrels with true friends

cut the ground from under my feet

No comments....

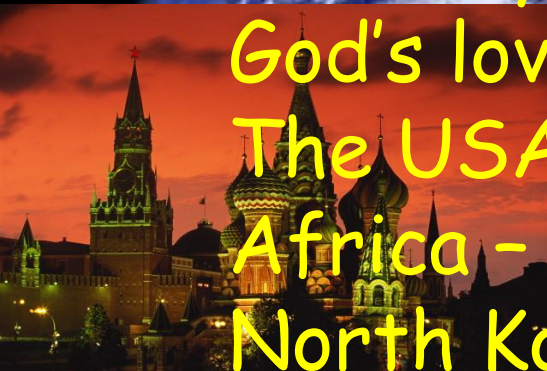

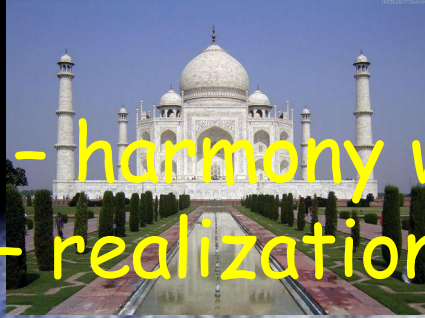

*MY PARENTS ARE THE
BEST,
BUT NOT TODAY*

MY PET HAS GONE

**Yesterday I was happy,
but now I'm not.**

**By the way, what is “happy”
?**

Japan - harmony within and without
India - realization of your life mission in
order to get a new life

England - home and social status

Germany - to have plenty of money and get
God's love

The USA - prosperity

Africa - bare necessities

North Korea - collective labour and
community spirit

Italy, Portugal, Spain - a large and devoted
family

France - love, emotions

Russia - be yourself, God loves you the way

FOR ORDINARY PEOPLE HAPPINESS IS...

...a brief but strong feeling

...when you are not bothered with problems

...a short space of time like a flash

...dreams that come true

...love to everything and everyone in my life

...wealth and world-wide fame

...love

...illusion

...when you feel as happy as a lark

...children

...life

...when my family is OK

A photograph of a misty forest path. The path is covered in fallen leaves and leads into the distance. Large trees with thick trunks line the path, and the ground is covered in lush green ferns and other vegetation. The atmosphere is misty and serene.

**SOMEONE UNDERSTANDS
“HAPPINESS” AS**

“INWARD SATISFACTION” .

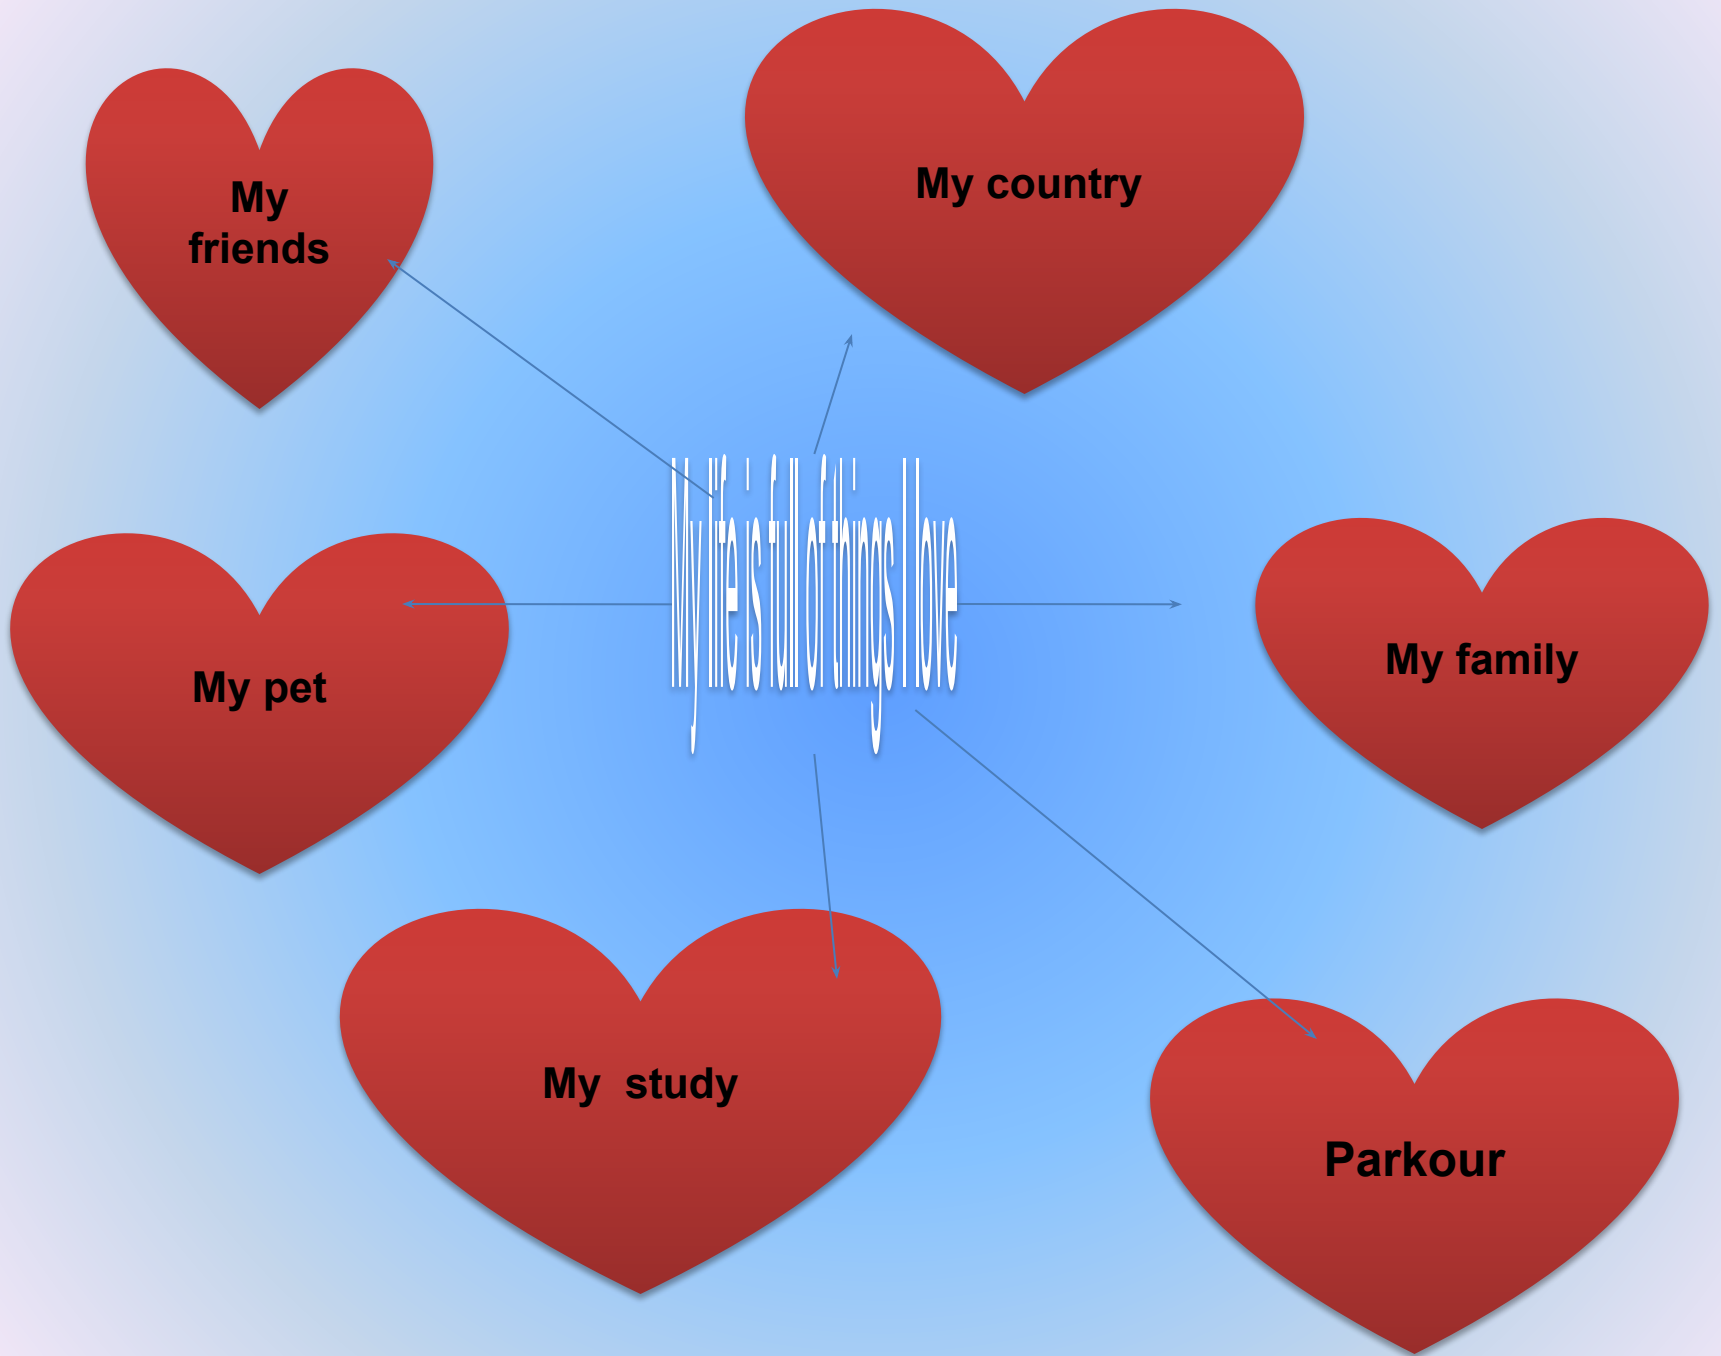

THE OTHERS SEE IT IN A CIRCLE OF THE NEAREST AND DEAREST.

**SOME TREAT IT
AS PROSPERITY.**

**THERE ARE ALSO PEOPLE
WHO CONSIDER “HAPPINESS” AS ENJOYMENT**

**TO MY MIND, “HAPPINESS” IS LOVE TO EVERY
CREATURE AROUND ME.**

My life is full of things that make me happy

First, I love my country

My
country

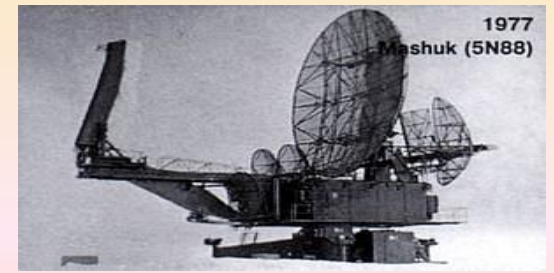

Second, I adore my family.

My
family

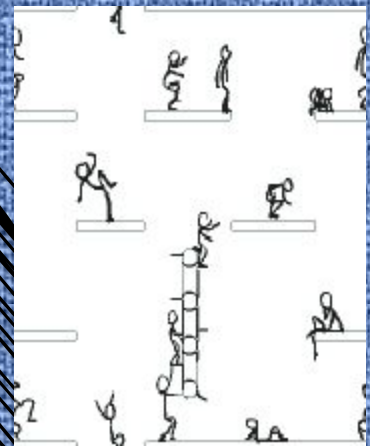

How I love them all!

My parents are officers
... very busy people!
They defend our
Motherland.

I'm sure, they
will never stop
loving me!

Third, I'm crazy about sport.

My
hobby

Besides, I like to study.

WHAT'S MORE,
I DO LOVE
MY PET.

A black and white dog with brown patches, identified as Lapka, is standing on a gravel surface. The dog is facing the camera, and its mouth is slightly open. The background shows a concrete curb and some greenery. The image is framed by a large, tilted rectangle with a white border and a green circular sticker on the dog's chest.

Lapka

Also, I like my friends.
