# His Latest Flame\*

A very old friend came by today/yesterday  
'Cause he was telling everyone in town  
About the girl/love that he just found  
And Marie's the name of his latest flame

He talked and talked and I heard him say/tell me  
That she had the longest blackest hair  
The prettiest blue/green eyes anywhere  
And Marie's the name of his latest flame

Though I laughed/smiled the tears inside were burning  
I wished him luck and then he said goodbye  
He was gone/there but still his words kept returning  
What else was there for me to do but cry

Would you believe that the other day/yesterday  
This girl was in my arms and swore to me  
She'd be mine/there eternally  
And Marie's the name of his latest flame

*flame = 1950s slang for boyfriend/girlfriend*
