МБОУ СОШ №6,
г. Радужный,
ХМАО-Югра*

The troika is a sleigh drawn by a team of three horses- is, for many, a symbol of Russia.

It developed as a means of efficiently crossing vast distances at great speed. Up until 1860, the troika was the primary means of transport in Russia.

A journey in a troika is a wild, exciting and memorable experience. The troika is an image of Russian freedom and the Russian soul and spirit.
