

# TV-SHOW OUR PLANET THE EARTH

# The 1<sup>st</sup> tour

Whether the weather be fine  
Or whether the weather be not  
Whether the weather be cold  
Or whether the weather be hot  
We'll weather the weather  
Whatever the weather  
Whether we like it or not.

Don't trouble trouble  
Until trouble troubles you.  
It only doubles trouble  
And troubles others, too.

Little Linda lost her locket,  
Lovely, lucky, little locket.  
Lately Linda found her locket  
Lying still in Linda's pocket.

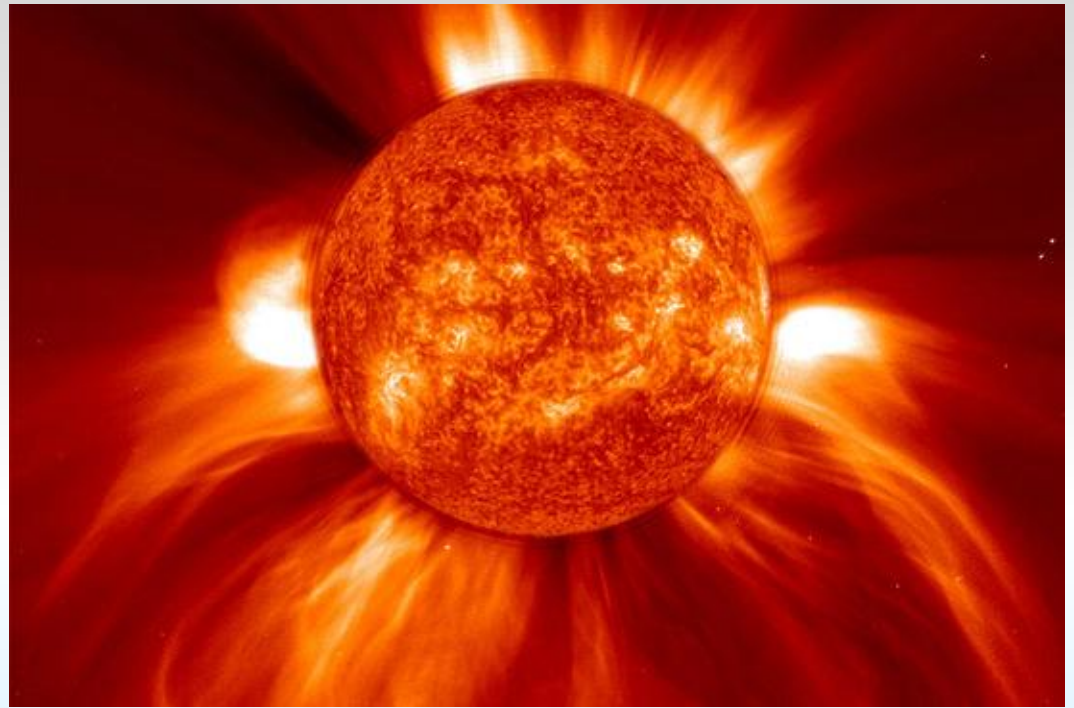

# The 2<sup>nd</sup> tour

What colour is the Earth if you watch it from the space? Why is it so?

What helps our planet  
to keep warmth?

How many main planets are there in the Solar System?

# Where are stars and planets?

# How do people get into space?

How do we call people  
who work in space?

# What do they wear in space?

# What do we use to see stars?

# What is the Milky Way?

# What is the shape of the Galaxy?
