

# *Maryinsky Park*

**Maryinsky Park is one of the oldest parks in Kiev. It now hosts two important buildings**

**The Verchovna Rada**

**Maryinsky Palace**

Maryinsky palace is an architectural pearl of Kiev

The palace is surrounded by the picturesque Maryinsky Park with lots of fountains and monuments

**The palace itself was constructed in the Middle of the 18<sup>th</sup> century.**

*The most impressive part Of the palace is the south Facade with statues of Charity and Justice*

*It was built in baroque style by architect Rastrelli*

***During its history the palace served as the residence for high guests. The White Hall is situated in the middle of the Palace and connected by archs with the entrance hall.***

**The Green Living-room and Banquet Hall are attached  
To the entrance hall from both sides**

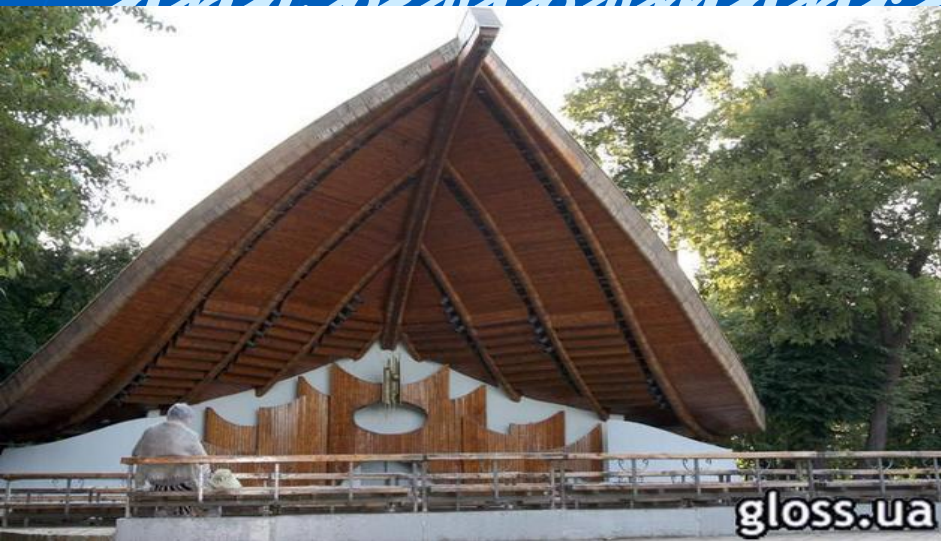

**During excursion you will walk through the famous rooms and halls of the palace, including those that are usually closed for regular visitors.**

МАНДРИЯ

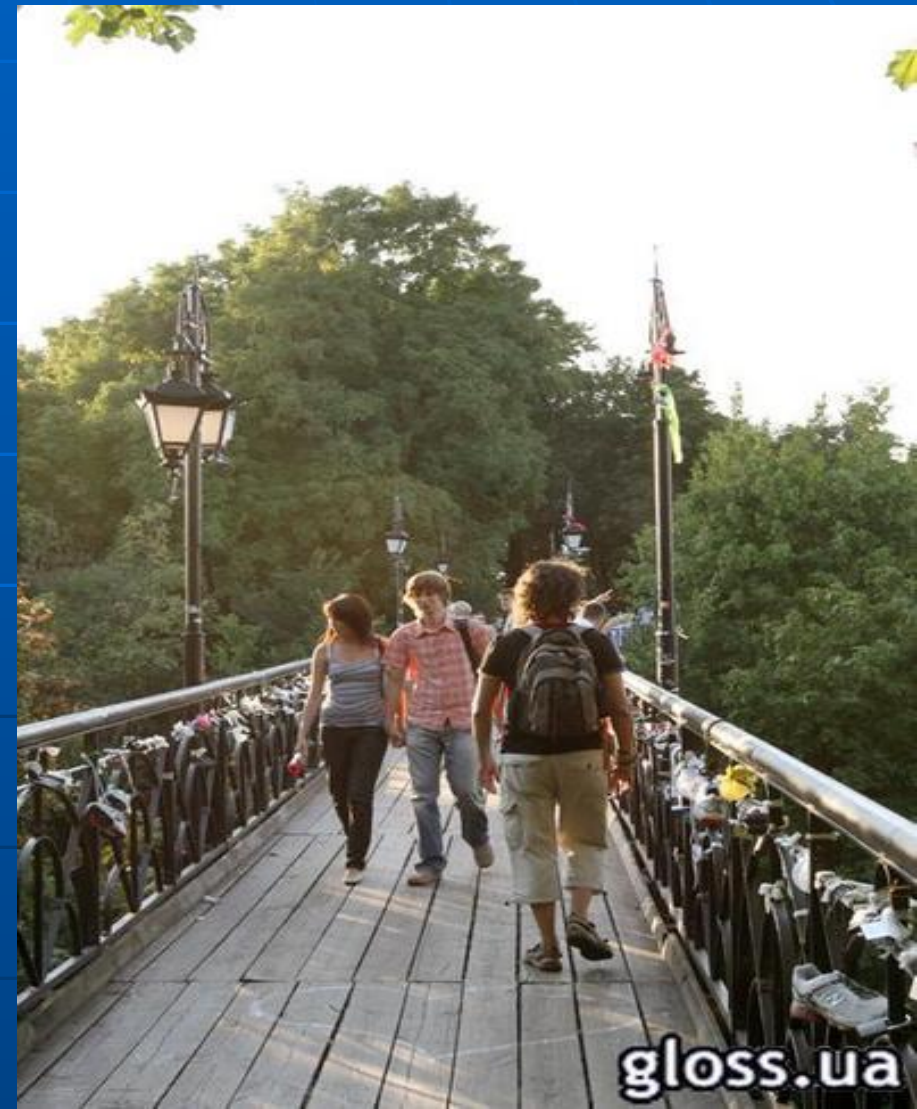

Today the park also boasts a stage for frequent concerts and performances and also

The park gradually ambles into the City Garden which hosts Dynamo Kyiv's "Lobanovsky" stadium and the ultra-romantic Lovers Bridge.

A photograph of a park path during the day. The sun is shining brightly through the trees on the left, creating a lens flare effect. The path is paved with light-colored bricks and leads through a lush green area with many trees. A low stone wall runs across the middle ground. The overall atmosphere is bright and pleasant.

**That's why I love  
Maryinsky Park.  
It is shady with  
old  
Linden trees,  
maples  
And chestnuts.
