- Every year, millions of tourists come to see London to see Big Ben, what exactly is Big Ben?

bigben002.mp4

- Most people think that Big Ben is the tall clock tower that stands above the Houses of Parliament. Well, no!

- Big Ben is not the clock tower. It is one of the four huge bells inside the tower.

- Its name comes from the bell's commissioner of works, Sir Benjamin Hall, or Ben.

- The tower is 98 metres high. The bell inside the tower is 14 tons. The clock on the tower is also huge.

- Each of the four clock faces is 7 metres wide. The hour hands are about 3 metres long.

- Perhaps one day you can go to London and see this amazing tourist attraction.
