Let's listen to the story.

Winnie the Witch

Winnie the Witch is an English language teaching video adaptation of the award-winning children's book about a witch and her black cat, Whisk.

Winnie the Witch is a combination of enchanting story and top quality animation. It offers listening comprehension and learner participation in a fun and imaginative way, and includes vocabulary and structures found in the first level of any primary English course. The video can be used alongside the ELT edition of the Winnie the Witch story book adapted by Jane Cadwallader and is suitable for children working on their own at home, as well as in the classroom.

The Winnie the Witch characters and story were originally created by Korky Paul and Valerie Thomas. The English language teaching adaptation is by Jane Cadwallader, who also wrote the songs. The story is narrated by Sandi Toksvig.

Duration: 22 minutes

A magic spell

Take three snake's teeth and four frog's legs,
A tortoise's tail and eight ant's eggs,
Say "Abracadabra, jim, jam, jell!"
And now you've got a magic spell!

Take a black bat's ear and a monkey's toes
A butterfly's eye and a rabbit's nose,
Say "Abracadabra, jim, jam, jell!"
And now you've got a magic spell!

Let's play "Magic games"!

Let's have fun!
