

*Modal verb*

*must*

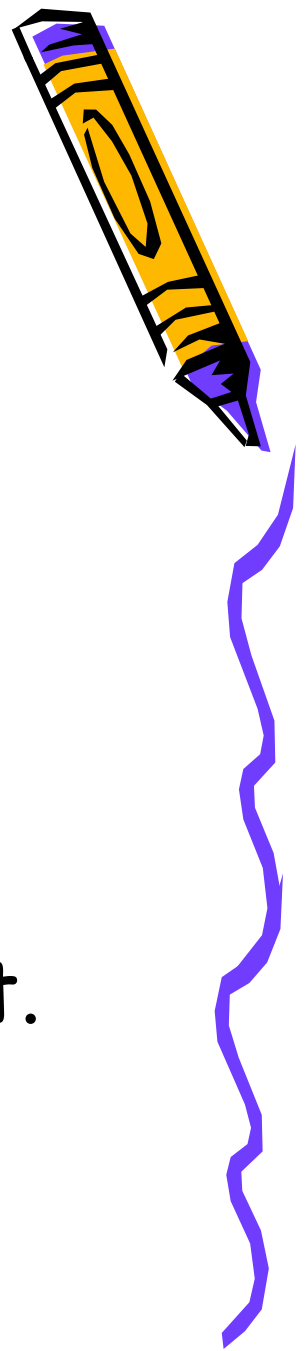

# Must be

- Can be used to say that **we are sure about something** because it is logically necessary.
- Употребляется для выражения предположения, которое говорящий считает вполне правдоподобным ( в чём он уверен). **Must** в этом случае переводится **должно быть**, а инфинитив - глаголом в настоящем времени.
- *The phone is ringing. It **must be** Ann.*  
(Звонит телефон. **Должно быть**, это Аня.)
