

COUNTRIES

So many countries, so many customs

What is special about your country?

What country would you like to live in and why?

What country has the most interesting customs?

Is your country the best place for you to live?

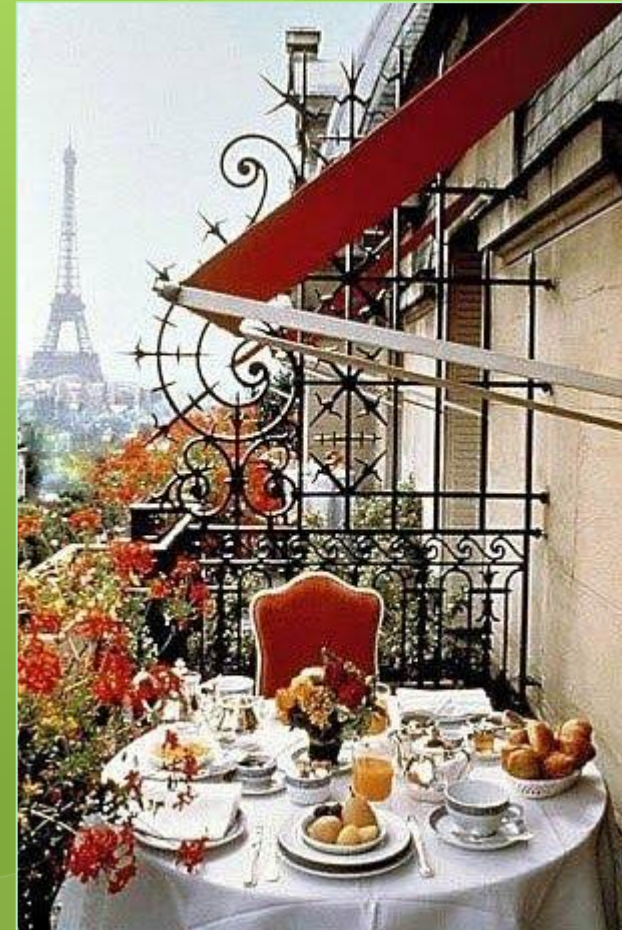

What country would you like to visit?

What festivals and feasts does your country have?

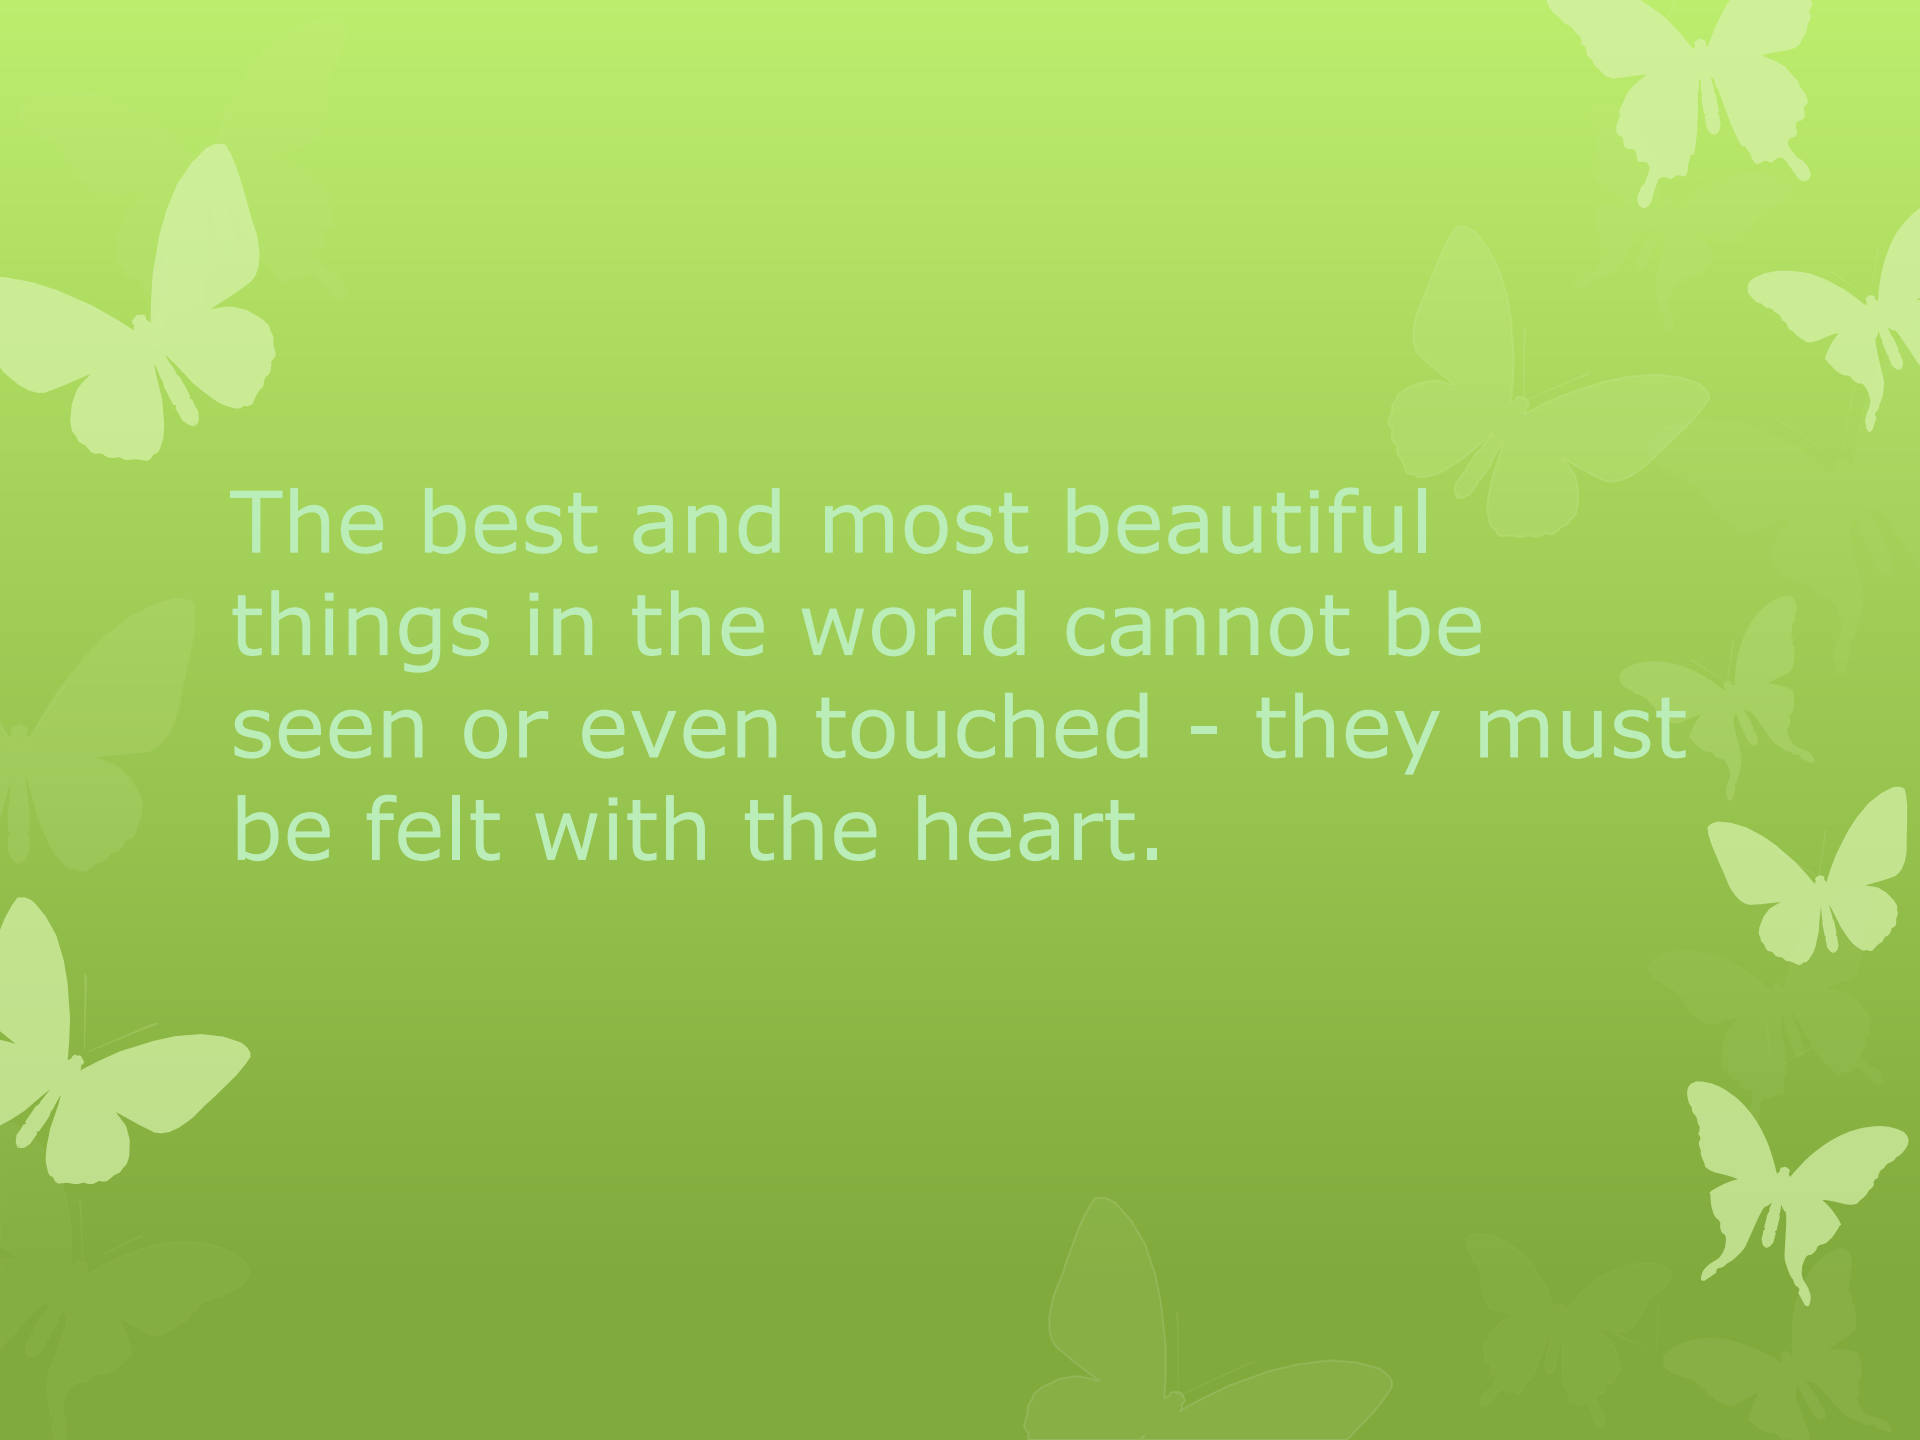

What countries would you travel to if you were to do a world trip?

What country/countries neighbor your country?

What are some similarities and differences between your neighboring country and your country?

The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart.
