CELLULOSE

Целлюлоза входит в состав оболочек растительных клеток

A close-up photograph of a dark, possibly wooden, bowl filled with a large mound of fine, white, powdery substance. The powder is piled high in the center, creating a conical shape. The lighting is soft, highlighting the texture of the powder. Overlaid on the image is a large, blue, stylized text string.

Крахмал - запасное питательное вещество

Гликоген в клетках печени

ХИТИН

Клеточная стенка бактерии состоит
