A close-up photograph of oregano (Origanum vulgare) plants. The image shows several stems with small, light purple flowers and green, serrated leaves. The background is a soft, out-of-focus green. A white banner with a wavy top and bottom edge is positioned in the lower-left corner, containing the word "Душица" in a red, cursive font. A solid red circle is located in the bottom right corner of the image.

*Душица*

A close-up photograph of Salvia (Shalфей) plants. The image shows several upright stems with narrow, lanceolate green leaves and dense, elongated spikes of small, two-lipped purple flowers. The background is a soft-focus field of similar plants.

*Шалфей*

*Малина*

A close-up photograph of a flowering plant stem. The stem is covered in fine, white, hair-like structures (trichomes). Several flowers are visible, ranging in color from deep purple to bright pink. The leaves are green and have serrated edges. The background is blurred, showing dry, yellowish-brown leaves and a grey rock.

*Медуница*

*Одуванчик*

*Яснотка*

A close-up photograph of a single asparagus spear, showing its characteristic purple and green coloration. The spear is the central focus, with its pointed tip and overlapping scales clearly visible. The background consists of several other green asparagus stalks, which are slightly out of focus, creating a sense of depth. The lighting is natural, highlighting the texture of the asparagus.
