МОУ СОШ № 16 БМР РТ

A close-up photograph of oregano (Origanum vulgare) plants. The image shows several upright, reddish-brown stems with clusters of small, light purple and white flowers. The leaves are green and have a slightly serrated edge. The background is a soft, out-of-focus green, suggesting a garden or field setting.

Душица

A solid red circle is located in the bottom right corner of the image.

A close-up photograph of Salvia (Shalфей) plants. The image shows several upright green stems with narrow, lanceolate leaves. The stems are densely covered with small, two-lipped purple flowers. The background is a soft-focus field of similar plants, creating a lush green and purple scene.

Шалфей

Малина

A close-up photograph of a flowering plant. The image shows several flowers in various stages of bloom, ranging from deep purple to bright pink. The flowers are clustered on a stem that is covered in fine, white, hair-like structures. The leaves are green and also appear to have fine hairs. The background is a soft-focus mix of brown and yellow, suggesting a natural, outdoor setting. In the bottom left corner, there is a white, wavy-edged banner containing the word 'Медуница' in a dark red, serif font.

Медуница

Одуванчик

Яснотка

A close-up photograph of a single asparagus spear. The tip is tightly packed and has a distinct purple or reddish hue, while the lower part of the spear is a vibrant green. The background is a soft-focus field of many other asparagus spears, creating a sense of a fresh harvest.

Спаржа

Хмель

Календула

Мята

Смородина

A close-up photograph of a plant with bright yellow flowers and lush green, lobed leaves. The flowers are in various stages of bloom, with some fully open and others as buds. The background is a dense field of similar green foliage.
