

The relationship  
of living things  
and their environment

**WHAT ECOLOGISTS STUDY**

# How ecology studies

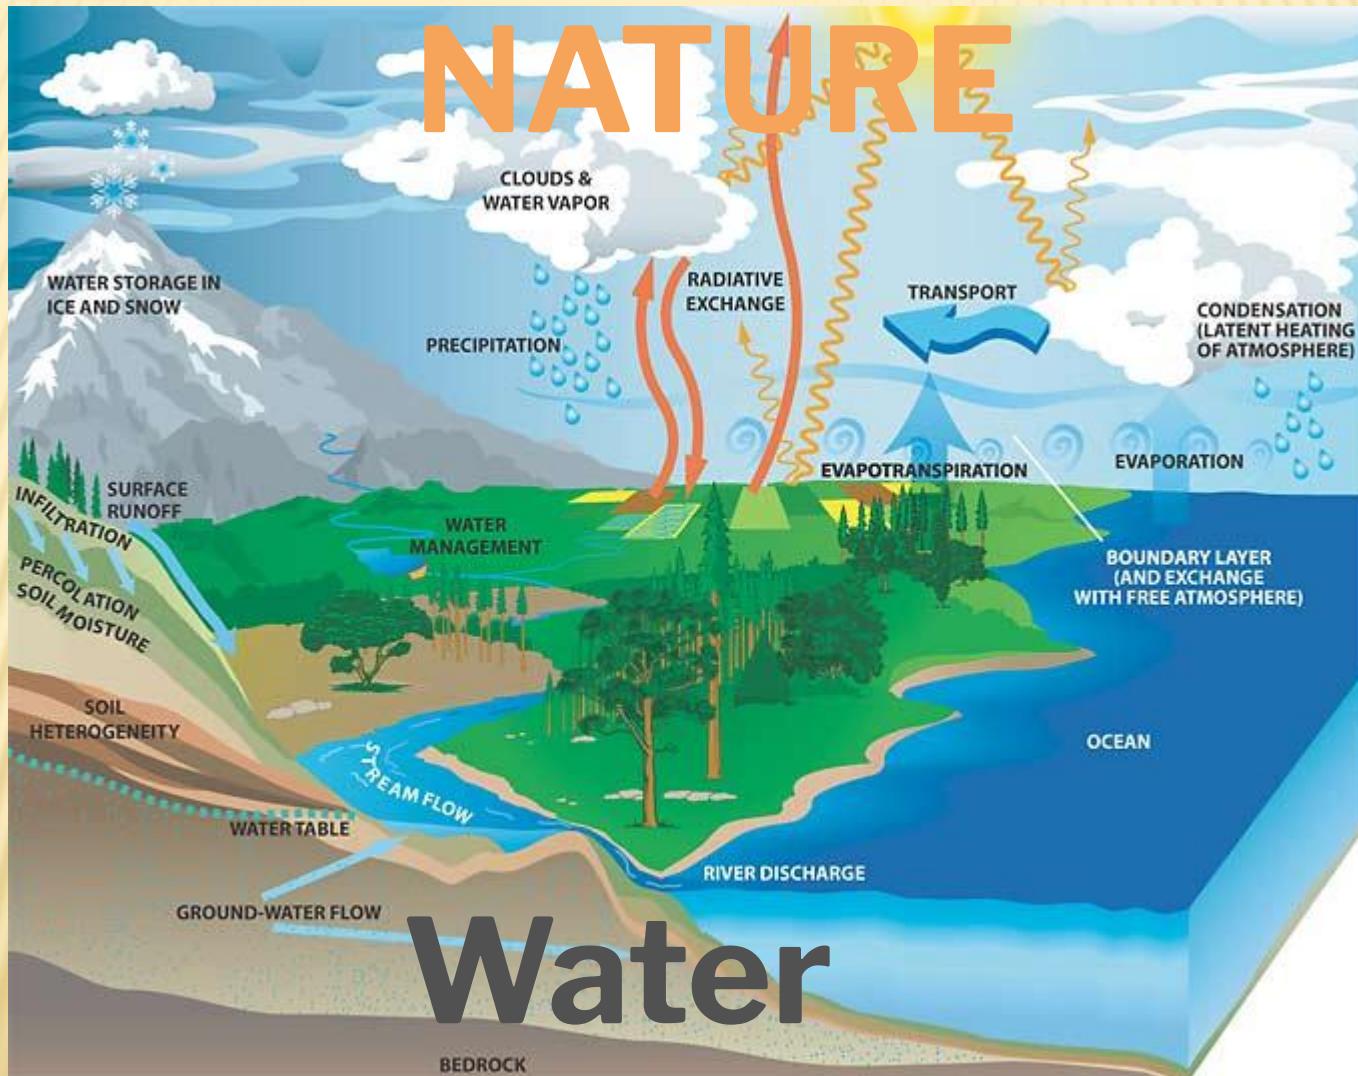

# Why men study ecology ?

# The balance of nature

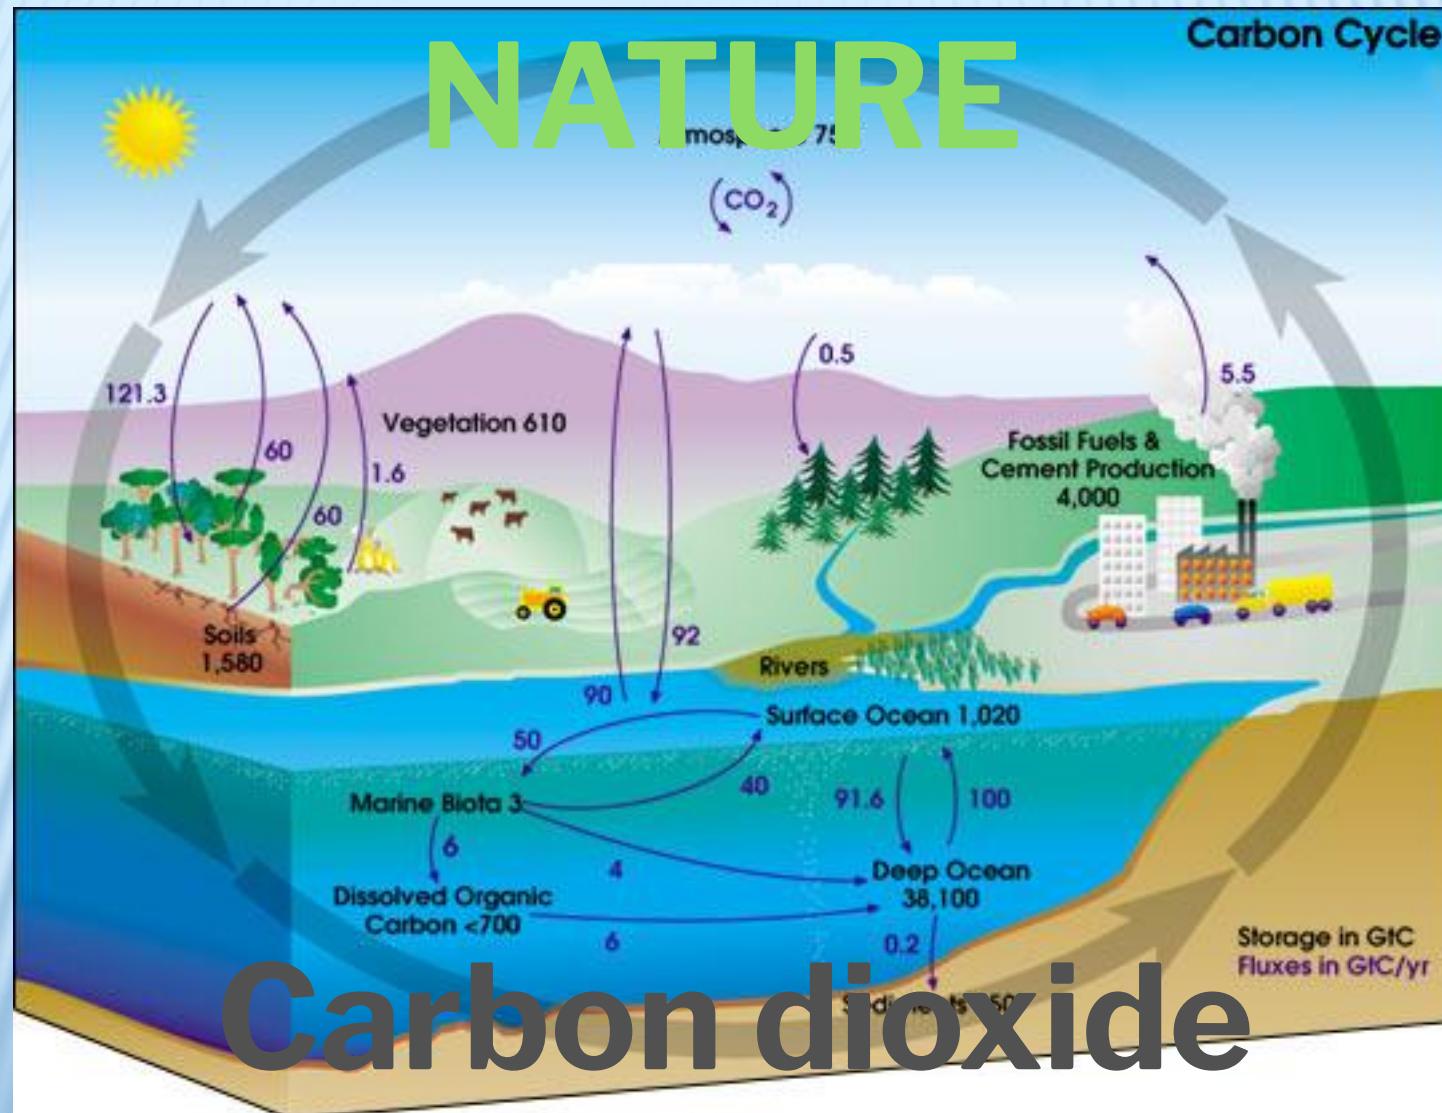

A photograph of a vast wind farm situated on a hillside. The turbines are tall with three blades each, standing in rows across the landscape. The foreground shows dry, scrubby vegetation. In the background, a range of mountains is visible under a clear blue sky with some wispy clouds.

**Загрязнение морской среды  
вследствие вторжения человека  
в баланс природы**

The image shows a sunset over a calm ocean. The sky is filled with wispy clouds, illuminated by the warm orange and yellow light of the setting sun. The horizon line is visible, and the water in the foreground has gentle ripples. The entire scene is framed by a decorative border consisting of a thick black line, followed by two thin white lines, and a final thin black line.

The End
