

The background is a dark, heavily textured metal surface, possibly a control panel or a piece of machinery. It features several mechanical components: a large circular knob at the top center, two smaller knobs to its left, a pair of vertical levers on the right, and several cylindrical protrusions at the bottom. There are also some small, round components and a pair of rectangular components on the left. Handwritten markings in white or light-colored ink are scattered across the surface, including the letters 'M', 'E', 'MA', '30', '3,5', and 'Tс, Nф'.
