Its eyes are large and dark, and it is looking directly at the camera. The background shows a lush forest with green ferns and other foliage. A green speech bubble with a yellow border is positioned in the upper right corner of the image.

A photograph of a dead squirrel lying on its back on a grassy field. The squirrel's body is positioned diagonally across the frame, with its head towards the bottom right and its tail towards the top left. Its fur is brown and appears matted. A light green, cloud-shaped thought bubble with a dark green outline is positioned above the squirrel's head. Inside the bubble, the words "Help me!" are written in a red, cursive font.
