- 3) Weather station
- 4) Old lamplighter
- 5) Water carrier
- 6) Nose
- 7) About creator

# Preface

There are a lot of beautiful places in Saint Petersburg. A lot of people have seen them. But there are some places and monuments that are very interesting, but they are hidden.. And lots of people don't know about them. You are lucky because I'll show you some interesting things...

# policeman

- It's situated in Malaya Armory street. Delivered in May 1998. Brave patrols in the time of Emperor Alexander II

# weather station

- Weather station of 19th century

# old lamplighter

- It's the first sculpture of such kind.

# water carrier

# Nose

# About creator

- Made by Dolgakov Ivan
- 9 “A” form
- School № 329
