SECRETS OF LONGEVITY

SUPER CENTENARIANS (PEOPLE WHO LIVE TO OR BEYOND THE AGE OF 100 YEARS).

**Jeanne Louise Calment (21
February 1875 – 4 August 1997,
died at the age of 122)**

**Tane Ikai (January 18, 1879 – July 12,
1995, died at the age of 116)**

An elderly woman with a weathered face, wearing a blue jacket and a light blue hat, is kneeling on a green lawn. She is holding a piece of green seaweed in her hands, which are covered in a green paste. The background shows a blue sky with clouds and a body of water.

The Secrets of

Long Life

- Residents of Okinawa,
- have the highest population of centenarians.
