

The background of the slide features a glowing orange sphere with a grid of latitude and longitude lines. The continents of North and South America are highlighted in a lighter, yellowish-orange color. The sphere is positioned in the upper left quadrant. Below the sphere, there is a dark, curved shape that resembles a shadow or a reflection. At the bottom of the slide, there is a blue banner with rounded corners. The text "George Washington." is written in white, sans-serif font within this banner. In the top right corner of the banner, there are three small, stylized blue star or spark icons.

George Washington.

The first president of the USA
G. Washington was born on
22 February 1732 into the family of a
rich Virginia landowner.

In his early twenties he took part in the war which the British Empire was fighting against France for the new territories in America.

In 1765 the British government decided to make the Americans pay taxes.

In 1773 The Boston Tea Party became the first in a line of events that led America to separate finally from British Empire.

In 1774 G. Washington represented the state of Virginia in the first Continental Congress.

In 1775-1776 Washington took an active part in the first and second Continental Congresses and he was chosen to be the head of the colonist's army.

In 1781 America won the war against Great Britain.

In 1783 Peace with Great Britain
was signed.

In 1787 George Washington took part in a “constitutional convention”.

In 1789 George Washington was elected President of the USA.

Correct the mistakes Washington's biography.
