state appears?**

The Statue of Liberty

The Statue of Liberty was presented to people of the USA by people of France on the 4th of July, 1884. It is the largest statue ever made. The right arm holds a great torch and the left hand holds a tablet with the date of the adoption of the Declaration of Independence.

New York

Washington

The White House

Washington is also visited by tourists, here you can see the Lincoln Memorial, the Washington Monument, the White House and the Capitol. In 1791 G.Washington chose it as a capital. But there is no sky-scrapers here, and no buildings higher than the Capitol.

New

New Zealand is the state in the southwest part of the Pacific Ocean. The population is 3, million people. The official language is English, Maori. The country is divided into 92 counties. The capital of the country is Wellington. The head of the state is the queen of the United Kingdom of Great Britain and Northern Ireland.

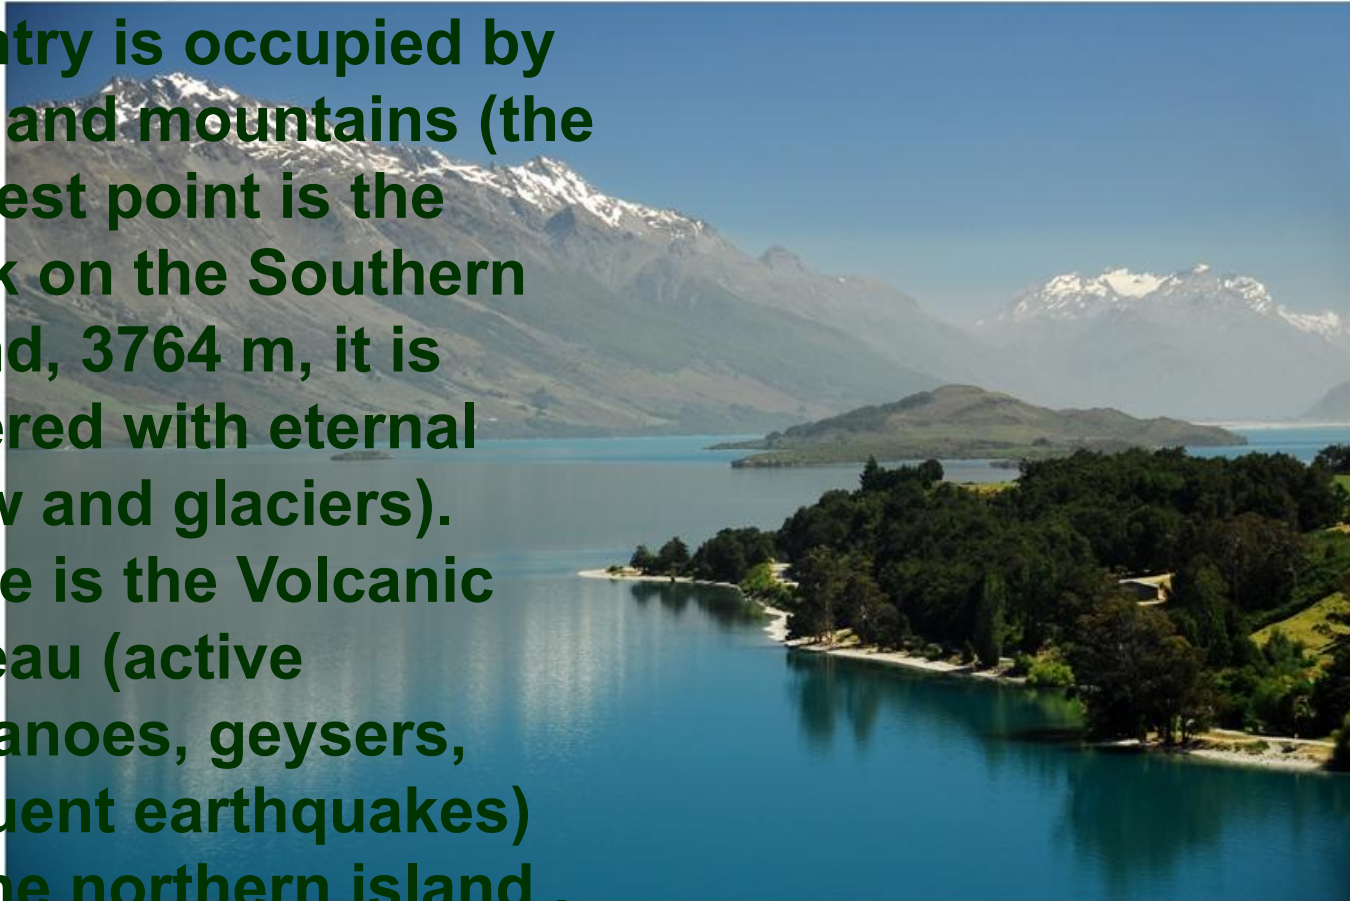

New Zealand

The relief of New Zealand

- The most part the country is occupied by hills and mountains (the highest point is the Cook on the Southern island, 3764 m, it is covered with eternal snow and glaciers). There is the Volcanic plateau (active volcanoes, geysers, frequent earthquakes) on the northern island .
