The Union Jack

the flag of Great Britain

The Union Jack
This is the popular name
to the flag of Great Britain

Actually it is called the Union Flag
and it is a mixture of several flags:

It all began in 1606
when Scotland
was joined to
England and **Wales**

The Scottish flag, St Andrew's Cross

+

the **English Flag**, **St George's Cross**

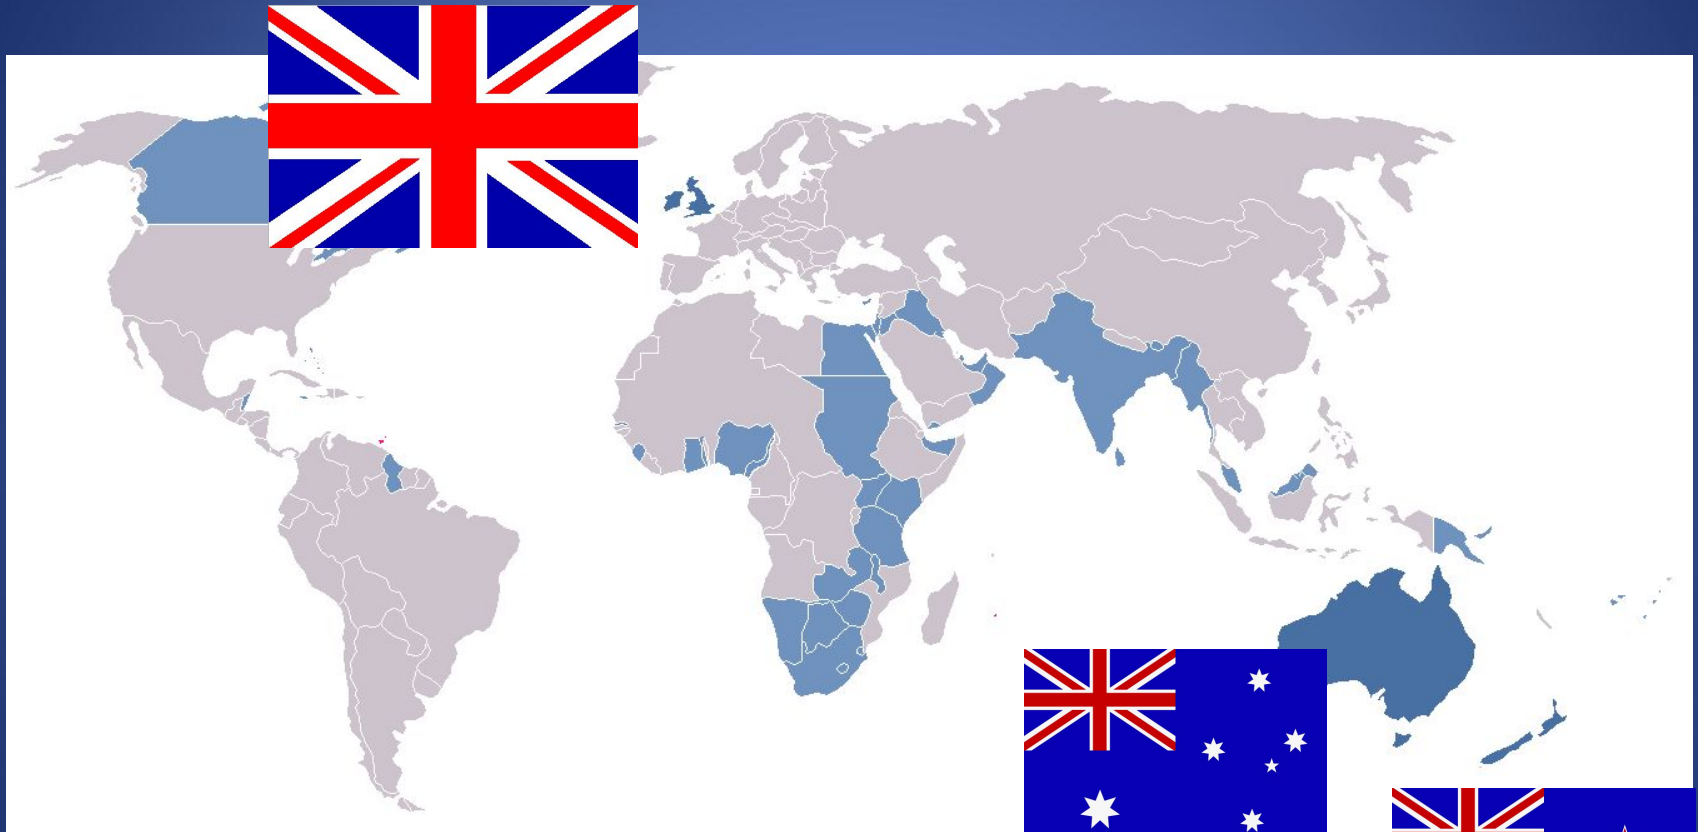

The English people got the Union Flag which is red, white and blue. King James the First (1566 – 1625) ordered that the Union Flag should be flown on the main mast of all British ships, except on ships of war. Here the flag was flown at the front of the ships, on what was called the *bowsprit*. The end of the bowsprit was called the Jack Star and so we get the name of Union Jack. A “jack” by the way is an old word for a flag.

In 1801, when Ireland was joined to the Union, as it was called, the Irish Flag - St. Patrick's Cross

BRITISH IMPIRE (to 1921)

The **Union Jack** is also on the flags of
Australia
and **New Zealand**
