# *My Granny*

I've got a grandmother. Her name is Galina. She is a doctor. She lives in Vitebsk. There are many old churches, buildings and streets there. I like to visit my granny. We spend a lot of time together.

# Our kittens

One day my parents and I visited our country. It was warm and sunny. My mum and I went to gather flowers. We heard sad meowing. There were three little kittens in the grass! They were lonely and hungry. We took them. The kittens were too small and couldn't eat. We fed them from a spoon. They were called Timka, Vaska and Murka.
