The aim and tasks of my study.

- The aim of my research work is to attract as possible as many people to voluntary work.
- The primary tasks of my study:
 - 1.to show how important voluntary is work in our life;
 - 2. to learn the British experience of voluntary work and compare with voluntary movement in Russia;
 - 3. to research and analyze voluntary work in our school.

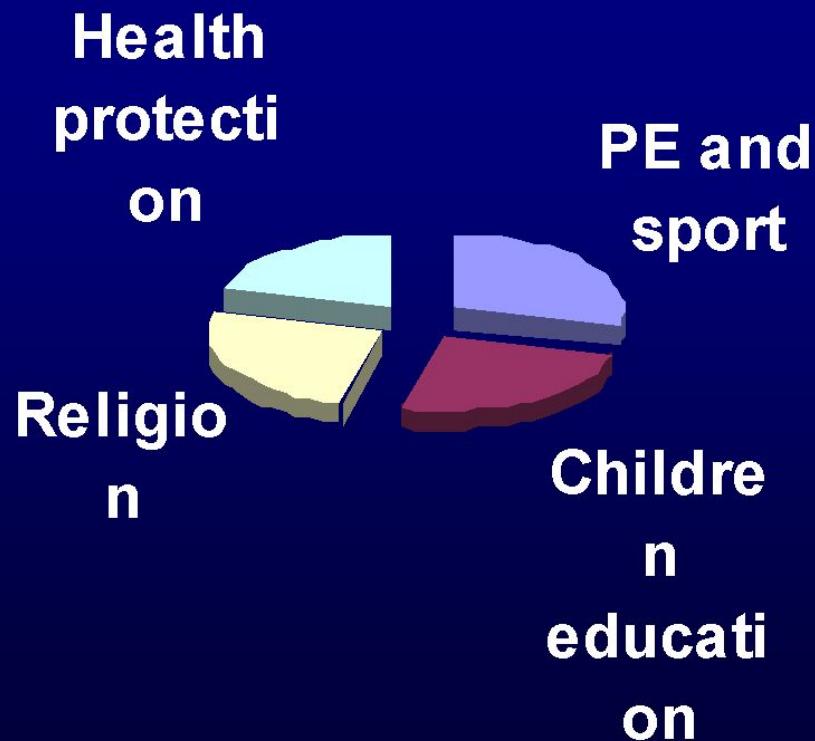

The most popular types of activity in Great Britain

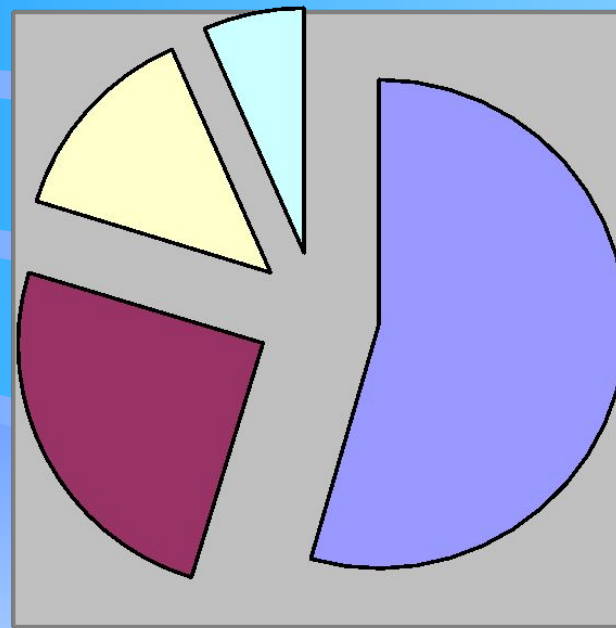

- ☐ Collecting of money
- ☐ Organization and undertaking action
- ☐ Participation in different commission
- ☐ Provision by transport

The most popular areas of voluntary work in Great Britain

The most popular types of activity in Russia.

Organization and undertaking action

Collect of money

Participation in different commission

Provision by transport

The most popular areas of voluntary work in Russia.

Voluntary work in my school and schools that there are in my village.
