**Friend – someone you know well and like,  
but who is not a member of your family**

**Friendship – relationship between people  
who are friends**

**Macmillan Dictionary**

# *A Friend*

God made the world  
With a heart full of love,  
Then he looked down  
From heaven above  
And saw that we all need  
A helping hand  
Someone to share with  
Who`ll understand.  
He made special people  
To see us through  
The glad times  
And sad times, too.  
A person on whom  
We can always depend  
Someone we  
Can call a friend.

Friendship is one of the most valuable assets that we create in our lifetime. That is why people hold friends in such high regard.
