

Sights of London

The main question

What place in London is the
most beautiful and
attractive?

London

- London is one of the most attractive capitals of Europe. It is modern and has a lot of traditions at the same time. The city takes one of the first places in the number of tourists every year.
- The population of London is 7,1 million people, 2,7 million of them live in Central London. About 10 million tourists come here every year. They are attracted by its history, 160 museums, 80 parks, architecture and theatres.

Westminster Palace

- The meeting place of the British Parliament. The Elizabeth Tower, which is often referred to by the name of its main bell, “Big Ben”, is a landmark of London and the United Kingdom in general, one of the most popular tourist attractions in the city and an emblem of parliamentary democracy.

Big Ben

The origin of the nickname *Big Ben* is the subject of some debate. The nickname was applied first to the Great Bell; it may have been named after Sir Benjamin Hall is the subject of some debate. The nickname was applied first to the Great Bell; it may have been named after Sir Benjamin Hall, who oversaw the installation of the Great Bell, or after boxing's English Heavyweight Champion Benjamin Caunt. Now *Big Ben* is often used, by extension, to refer to the clock, the tower and the bell collectively, although the nickname is not universally accepted as referring to the clock and tower. Some authors of works about the tower, clock and bell sidestep the issue by using the words *Big Ben* first in the title, then going on to clarify that the subject of the book is the clock and tower as well as the bell.

The Tower of London

- It was used as a fortress, a prison, a zoo in the past. Now it is the place where the Crown Jewels are kept.

Parks of London

- There are over 150 parks and lots of small gardens and green sports places for everyone in London.
- Royal Parks are: Bushy Park, Green Park, Greenwich Park, Hyde Park, Kensington Gardens, Regent's Park, Richmond Park, St. James's Park.

Madame Tussaud's

- You can meet here famous people of the present and the past: members of the Royal Family, pop, sports stars, actors etc. But all of them are made from wax.

London Bridges

There are over 30 bridges across the Thames in London. Almost all of them are of great interest.

The London Eye

The **London Eye** is a giant Ferris wheel situated on the banks of the River Thames. The entire structure is 135 metres tall and the wheel has a diameter of 120 metres.

Modern Architecture

Gherkin Building

Container City

Aviva tower

Bishopsgate

ArcelorMittal Orbit

The Shard

In Conclusion...

- There is no place in London which you would like to be the best one. All of them are beautiful and can tell you interesting stories.

See you in London
До встречи в Лондоне!
