## Tag-questions

(разделительные вопросы)

## Структурно они состоят из двух частей: повествовательного предложения и краткого вопроса

#### Tom can swim well, can't he?

Если повествовательная часть утвердительна, то вопрос отрицателен и наоборот.

- +,- He can skate, can't he?
- -,+ He can't skate, can he?

#### Чтобы образовать разделительный вопрос:

1. Найдите сказуемое:

She is American.

We mustn't get up early tomorrow.

Tom will be here soon.

а) Если в первой части предложения есть глаголы to be (is, are, was, were); to have (has, had), will, shall; или модальный глагол (can, could, must, would, should) и они стоят в положительной форме, то после запятой следует поставить этот же глагол в отрицательной форме и наоборот.

```
She is American, isn't.....?

We mustn't get up early tomorrow, must.....?

Tom will be here soon, won't.....?
```

б) Если в сказуемом нет этих указанных глаголов, то после запятой следует поставить вспомогательный глагол do/does или did в зависимости от времени действия:

```
You like cats, don't.....?

Your sister plays tennis, doesn't....?

Sally went to university, didn't....?
```

2. Подлежащее замените на местоимение и поставьте его в конец предложения:

You like cats, don't you?

Tom will be here soon, won't he?

Your sister plays tennis, doesn't she?

**Moscow** is a beautiful city, isn't it?

#### Add the tag endings

You haven't got a car, couldn't he? Mary will be here soon, won't she? Tom could help us, have you? There was a lot of traffic, does she? wasn't there? Sue doesn't like onions,
