- 5)A conclusion.

- 1. Our purpose: to show the importance of learning foreign languages for other students.

The hypothesis -If foreign languages had not been so important in our life, we wouldn't pay so much attention to it.

- 1) Learning a second language is beneficial for all. Learning to speak foreign languages may be the best thing you can do to improve your life and open new doors.

Nowadays a lot of Russian people
listen to the foreign music.
Believe, music is much better
if you can understand the words.

Who doesn't know such films
as «Twilight» and «Diaries of Vampires»?
And if you know the foreign language,
you can watch them in their original form.
Once you try it this way,
you'll never go back to dubbed versions.

4) Many celebrities from all over the world come to our country and if you know foreign languages you will be able to communicate with them.

5) It is also more easily to travel. Communicate with people wherever you go.

3)The problem question : Is it necessary to study foreign languages?

In our future life, foreign languages will be useful for us. For example, My hobby is studying foreign languages (Inna) .We think that without them it is impossible to exist.

Other students' opinions :

Today studying of foreign languages is very important. It is necessary to know even one foreign language and even more... As for me, I study English and I'm going to study Spanish:)

5) A conclusion.

Study foreign
languages and you
will not regret!

Thank for attention!
