Климонова
Ольга Борисовна**

Calendar Poetry

Thirty days has September
April, June and November:
All the rest have thirty-one.
Except February alone.

And that has twenty-eight days clear
And twenty-nine in each leap year.

**January brings the snow,
Makes our feet and fingers glow.**

**February brings the rain,
Thaws the frozen lake again.**

**March brings breezes, loud and shrill,
To stir the dancing daffodil.**

**April brings the primrose sweet,
Scatters daisies at our feet.**

**May brings flocks of pretty lambs,
Skipping by their fleecy dam.**

**June brings tulips, lilies, roses,
Fills the children's hands with posies.**

**Hot July brings cooling showers,
Apricots and gillyflowers.**

**August brings the sheaves of corn,
Then the harvest home is borne.**

**Warm September brings the fruit;
Sportsmen then began to shoot.**

**Fresh October brings the pheasant;
Then to gather nuts is pleasant.**

**Dull November brings the blast;
Then the leaves are whirling fast.**

**Chill December brings the sleet,
Blazing fire, and Christmas treat.**
