**I SAW THE FILM ABOUT SCOTLAND LAST YEAR AND FELL IN LOVE.  
I LOVE THIS LAND FOR ITS HILLS, ITS GLENS, ITS  
WILD PLACES, BIG RIVERS, MYSTERIOUS  
WATERFALLS, CHANGING SKIES... AND ITS ANIMALS AND PEOPLE!**

***Scotland lies to the north of England with the North Sea to it's east and the Atlantic to its west.***

***It's is roughly 300 miles north to south and anywhere up to 200 miles east to west.***

What do you picture in your  
mind when you hear the word  
«Scotland»?

**bagpip  
e**

Mysterious lochs

**Kilt**

The plant  
symbol of  
the  
country

**Scottish  
tartans**

St Andrew is the patron saint of Scotland  
- a task he shares with Greece, Russia  
and Romania!

# The Capital of Scotland-Edinburgh

is enriched with culture, fine architecture and hosts of one of the most prestigious universities in the United Kingdom, The University of Edinburgh.

**Scottish people are famously**

A dish consisting of the heart, lungs, and liver of a sheep, calf, etc. (or sometimes of the tripe and chitterlings), minced with suet and oatmeal, seasoned with salt, pepper, onions, etc., and boiled like a large sausage.

# Haggi S

Meal in Scotland is simple and tasty. Traditional soup -with different vegetables , - well warms after cool day. The well-known Scottish salmon is really fine - fresh, natural, with easy sauce and a garnish from vegetables, it is remembered for a long time . Puddings with fresh berries and cream are also tasty.

**Scotland has  
given rise to many  
more  
famous  
people**

**Sir David Livingstone** (19 March 1813–1 May 1873) was a Scottish explorer. Perhaps one of the most popular national heroes of the late 19th century in Victorian Britain

**Sir Alexander Graham Bell** (March 3, 1847 – August 2, 1922) was an eminent scientist, inventor, engineer and innovator who is credited with inventing the first practical telephone.

**Sir Thomas Johnstone Lipton, 1st Baronet**, (10 May 1848 – 2 October 1931) was a Scotsman of Ulster-Scots parentage who was a self-made man, merchant, and yachtsman. He created the famous Lipton tea brand and was the most persistent challenger in the history of the America's Cup.<sup>[1]</sup>

**Sir Alexander Fleming** (6 August 1881 – 11 March 1955) was a Scottish biologist and pharmacologist.

**Sir Walter Scott**

# В ГОРАХ МОЕ СЕРДЦЕ

В горах мое сердце... Доныне я там. По следу оленя лечу по скалам. Гоню я оленя, пугаю козу. В горах мое сердце, а сам я внизу. Прощай, моя родина! Север, прощай, - Отечество славы и доблести край. По белому свету судьбою гоним, Навеки останусь я сыном твоим! Прощайте, вершины под кровом снегов, Прощайте, долины и скаты лугов, Прощайте, поникшие в бездну леса, Прощайте, потоков лесных голоса. В горах мое сердце... Доныне я там. По следу оленя лечу по скалам. Гоню я оленя, пугаю козу. В горах мое сердце, а сам я внизу.

My heart's in the Highlands, my heart is not here,  
My heart's in the Highlands a-chasing the deer -  
A-chasing the wild deer, and following the roe;  
My heart's in the Highlands, wherever I go.

Farewell to the Highlands, farewell to the North  
The birth place of Valour, the country of Worth;

Wherever I wander, wherever I rove,  
The hills of the Highlands for ever I love.

Farewell to the mountains high cover'd with snow;  
Farewell to the straths and green valleys below;

Farewell to the forrests and wild-hanging woods;  
Farewell to the torrents and loud-pouring floods.

My heart's in the Highlands, my heart is not here,  
My heart's in the Highlands a-chasing the deer

Chasing the wild deer, and following the roe;  
My heart's in the Highlands, whereever I go.

**I am sure that my  
dream  
comes true and one  
day**

**I and my parents will  
visit  
Scotland**
