ABOUT THE HOURS

Listen, repeat, then choose the translation for the proverb.

Men make houses,
women make homes.

- ~~1. Мужчины должны помогать женщинам по дому.~~
- ~~2. В гостях хорошо, а дома лучше.~~
3. Мужчины создают дома, а женщины – домашний очаг.

Read the text.

Find out what the boy likes to do at home.

I don't like working about the house. I don't like cleaning the house. I don't like making the beds. It's boring. I sometimes help grandpa to clean the car. But it is boring, too. But I like feeding my pet dog Pete. And I like eating tasty meals that my grandma cooks for me.
