

A photograph of the Statue of Liberty in New York Harbor. The statue is green and stands on a stone pedestal. The water is dark blue, and the sky is light blue with wispy white clouds. In the background, there are green trees and a distant city skyline.

The history of New-York

**The Indians
were
the first
population
of New-York.**

Giovanni da Verrazano
was the
first European
explorer
who saw
Manhattan Island

SIR HENRY HUDSON.

**The mighty
Hudson River
is named after
the navigator
Henry Hudson.**

h

**The English fleet under
the Duke of York entered
the harbour,
captured the
city without firing
a shot and renamed
it New York.**

Streets of New-York

A vibrant blue sky with a bright sunburst effect in the center, creating a fan-like pattern of white and yellow rays. Wispy white clouds are scattered across the lower half of the image, and a thin line of green hills is visible at the very bottom.

Wall Street

Wall Street

the name of the street derives from
the fact during the 17th century,
Wall street formed the northern
boundary of the New Amsterdam
settlement.

5th Avenue

**Fifth Avenue is a major
thoroughfare in the center of
the borough of Manhattan in
New York City, USA.**

A vibrant blue sky with wispy white clouds. A bright sunburst effect is visible near the horizon, with rays of light radiating upwards. The word "Broadway" is centered in the middle of the image in a large, black, sans-serif font.

Broadway

Broadway,
as the name implies, is a wide
avenue
in New York City.
