This image shows two pages from an illuminated manuscript. The left page features a large, ornate initial letter 'A' in blue and red, with intricate flourishes extending down the right margin. Below the initial, there is some text in a Gothic script. The right page contains two columns of text in a Gothic script, with a decorative archway structure at the top.

Illuminated manuscript, folio 100v, depicting a seated figure, possibly a saint or scholar, in a domestic setting. The figure is wearing a blue tunic and a pinkish-purple robe, and is holding an open book. The background shows a domestic interior with a red-tiled roof, a window with a blue and white pattern, and a wooden table. The entire scene is enclosed in a decorative border with floral and geometric motifs.
