Из истории Голливуда:

- Hollywood is a part of Los Angeles.
- It was a big city with red forest and great weather.
- In 1912 the first studio appeared in Hollywood.
- Silent and black-and-white films were forced out by sound films in the middle of the 1920s.
- The first colour film was shot in 1939.
- The first genres were melodrama, western and comedy.
