### **Aries in a Nutshell:**

Independence is key to Aries astrology, they do not like to take orders from others and enjoy getting their way. Their magnetic personality often entices others to follow their lead because Aries personalities bring excitement into others lives. Aries are good friends, they always look out for their friends with caring and generosity and encourage them with their natural optimism. If confronted, Aries can turn to be quite childish, they will fight back by all means. If a business idea comes their way, they tend to plunge right in. However, if success is not immediate, they tend to lose interest and give up easily. Aries are notorious for not finishing what they have begun. This is due to the low tolerance for boredom and lack of patience. Aries easily take offense to comments made. Aries are self-involved and can be self-centered. They are not very good liars and other people can usually see through them. Underneath the strong, independent surface may lie insecurity. This is due to the intense drive to succeed and Aries put too much pressure on themselves, thus resulting in self-doubt. Aries tend to live adventurous lives and like to be the center of attention, but rightly so since they are natural, confident leaders. Aries are enthusiastic about their goals and enjoy the thrill of the hunt.
