

Australian

food

# *Fairy Bread*

*A dish that you can feed the most fastidious child. In fact, it's a fun sandwich. Slices of white bread cut into triangles, spread butter and sprinkle with colored pills (which are used to decorate pastries).*

# ***Australian Salad***

---

***Light salad,  
cooked ham,  
cucumbers,  
boiled celery  
and apples,  
Served with  
orange  
juice and  
mayonnaise.***

# ***Bush Tucker***

***The most Australian food - food of native aborigines, cooked over charcoal. In the course are kangaroo meat, crocodile or someone else and Australian fruit.***

# ***Steak "marsupial"***

- ***This dish made with kangaroo meat, but sometimes use a usual beef.***
- ***Mushrooms fried with spices, notched so as to obtain the pocket, season mushrooms and sewn or chop shpashkami, then baked.***

# ***Vegemite***

---

***Australian "adjika" which can be spread on bread or eat as a separate dish. On the palate, "adjika" - an amateur. Since this is a "yeast extract", which is mixed with onion, celery and salt.***

# *Lamington*

**Biscuits  
covered  
with  
chocolate  
chips and  
coconut**

**Thank you for**  
**your**  
**attention!** 😊
