Love Rules the World

Love... What is this?

Love is the feeling inherent in man,
a deep, selfless devotion to another person or
object,
a feeling of deep sympathy.

In love... there is no

does not seek its own,
thinketh no evil...Love never fails"

Love rules the world <3

Уильям Шекспир
Сонет 130

My mistress' eyes are nothing like the
sun;
Coral is far more red than her lips' red;
If snow be white; why then her breasts
are dun;
If hairs be wires, black wires grow on
her head.

Ее глаза на звезды не похожи,
Нельзя уста кораллами назвать,
Не белоснежна плеч открытых кожа,
И черной проволокой вьется прядь.

I have seen roses damasked, red and white,
But no such roses see I in her cheeks,
And in some perfumes is there more
delight
Than in the breath that from my mistress
reeks.

С душистой розой, алой или белой,
Нельзя сравнить оттенков этих щек.
А тело пахнет так, как пахнет тело,
Не как фиалки нежный лепесток.

I love to hear her speak, yet well I know
That music hath a far more pleasing sound;
I grant I never saw a goddess go -
My mistress when she walks treads on the
ground.

Ты не найдешь в ней совершенных линий,
Особенного света на челе.
Не знаю я, как шествуют богини,
Но милая ступает по земле.

And yet, by heaven, I think my love as
rare
As any she belied with false compare.

И все ж она уступит тем едва ли,
Кого в сравненьях пышных оболгали.
