# the 5 senses

# sight

Our eyes let us see things around us.

# hearing

We use our ears to hear sounds.

# touch

We can feel things with our hands or with other parts of our bodies.

# taste

We taste things with our tongue. We can taste lots of different flavours.

# smell

We smell things using our nose.

Please, smell the air around you.  
What do you smell?  
What would you smell in a kitchen?  
What would you smell in the forest?
