

A collage of various animals including eagles, lynx, cougar, and bison, with the text "ANIMAL PLANET" overlaid. The background is a light blue and green gradient. The animals are arranged in a group, with the eagles at the top, the lynx and cougar in the middle, and the bison at the bottom. The text "ANIMAL PLANET" is written in a bold, yellow, sans-serif font across the center of the image.

ANIMAL PLANET

- **WILD ANIMALS**
- **DOMESTIC ANIMALS**

*Wild animals live in
forests, deserts,
steppes, jungles, in
the water. They eat
small animals,
leaves and
grass.*

Domestic animals live on the farms.
They eat grass, fruit, vegetables.

Pets live with people at home.

Pets are people's friends.

Zoo Animals

Safari Parks

Can you complete these questions and join them to the correct answer ?

They live in Siberia and Africa.

They send out a sound and wait for the echo.

Up to about 100km per hour.

About 136kg of plants.

The blue whale. It's about 25m long.

They eat fruit, leaves and grass.

Because it's too far to walk!

A woman with long blonde hair, wearing a white tank top and white pants, stands on a grassy field. She is holding a small, colorful butterfly in her right hand, which is raised towards the sky. The background features a vibrant sunset or sunrise with a large, glowing rainbow moon in the upper right corner. The sky is filled with soft, colorful clouds in shades of orange, yellow, and blue. The overall scene is peaceful and evokes a sense of connection with nature.

*Dear people,
save disappearing
animals,
take care of rare plants,
love our planet
because our planet is
beautiful.*
