Clothes

Clothes are an important part in our life because people look first, then listen. Clothes can tell us a lot about a person.

Forefathers

Even ancient people paid much attention to their clothes. Nowadays to buy clothes is easy but our forefathers, who lived in the eighth century couldn't buy clothes, they sewed it. They had only one costume for a holiday and one costume for everyday life.

Fashion

Now we haven't got problems with buying clothes. In many shops there are lots of clothes and fashion has become an important part in our life, too. Every season Houses of Fashion give people there collections of clothes.

Clothes for free time activities

«Clothes for free time activities» is a good topic to discuss, because we can wear such kind of clothes everywhere. We wear clothes for free time activities when we go to the cinema, to the library, to museums, shops, when we walk or visit friends...

Clothes for free time activities
