National Parks in the USA

Currently in the United States there are 58 national parks, which attract tourists with its charming nature and many activities. It is very difficult to identify the best national parks, but some of them by far the most popular among tourists. Here are lists of the 5 most popular national parks in the United States.

Grand Canyon is one of the most popular and most visited national parks in the United States. It is also one of the seven natural wonders of the world. And it's really a miracle to see his amazingly-beautiful colors canyon. This is one of the best places to photograph. Located in Arizona, it attracts millions of tourists every year. Red Rock Valley and the Grand Canyon are spectacular.

Yellowstone

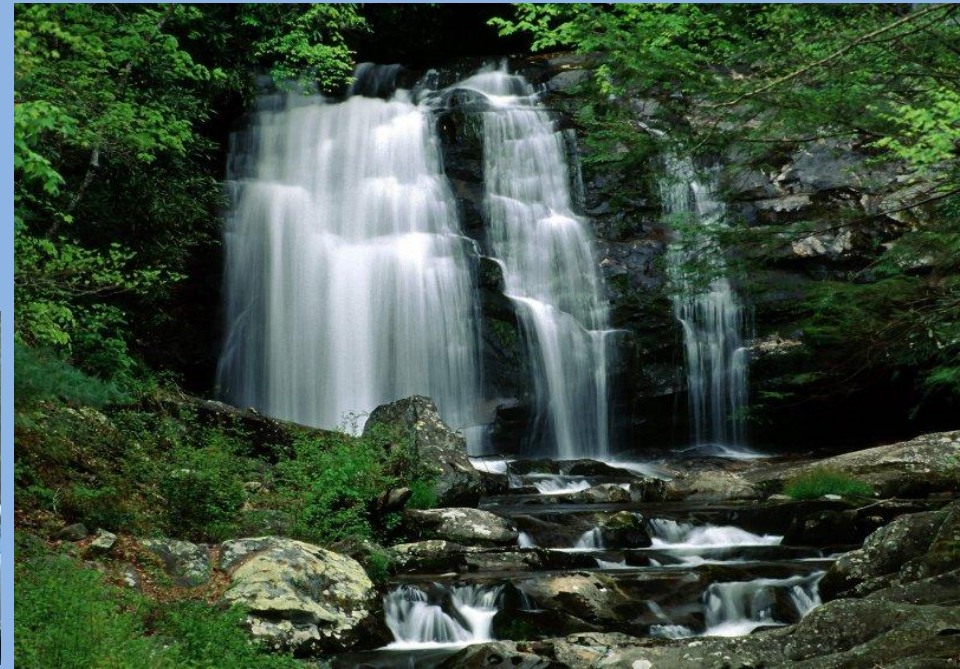

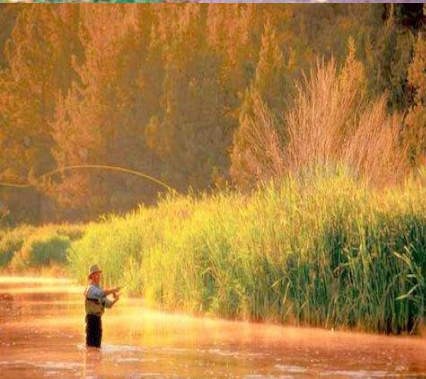

Yellowstone National Park is located in Montana, Idaho and Wyoming. This is the first national park in the United States, founded in 1872. It is home to many wild animals such as grizzly bears, bison, wolves, moose, and so on. This park has the world's largest number of hot springs and geysers, and the most popular park geyser Old Faithful.

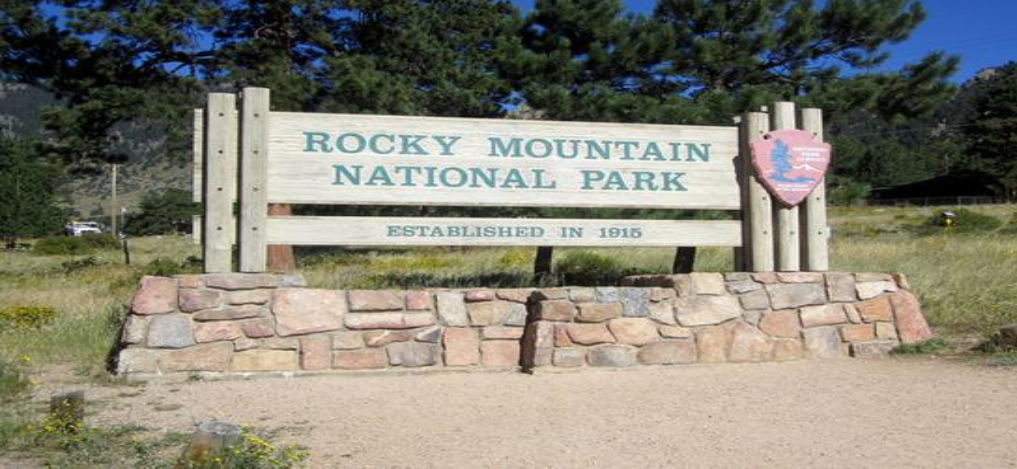

Great Smoky Mountains National Park is located in Tennessee. The wide variety of flora and fauna of the park attract millions of visitors from around the world. There are many great places to take pictures and enjoy the beauty of nature. But very popular among tourists are the fascinating waterfalls. Visitors can make hiking, camping, and even travel by car.

Yosemite National Park is located in California and attracts millions of visitors, especially lovers of rock climbing. It is ideal for rock climbing. In addition, tourists like to look at the ancient redwoods, beautiful waterfalls and green valleys. Native Americans settled here eight thousand years ago

Rocky Mountain National Park is located in Colorado. It has majestic mountain peaks, a variety of wildlife, varied climate and the environment, forest-tundra in the mountains and easy access to back-country trails and campsites. The breathtaking beauty is a great place to take pictures. The park offers visitors a variety of activities
